Black and white creates a strange dreamscape that color never can.

~Jack Antonoff

Everyone wants to get better. You go through life, you want to shift and change and get better. No one ever says, "I'm better." They say, "I wanna get better."

~Jack Antonoff

So many boys and girls talk the same way, listen to the same music, look the same. If I'm out, I'll notice the person who looks different before I notice the person who's, "really hot."

~Jack Antonoff

I think what's cool about about going on a co-headline tour is everyone's bringing a huge show, so it's not like opening band, opening band, then here's the big show. It's like two big shows.

~Jack Antonoff

God, just shoot me the day I start making music you can just put on in the car and have a conversation over it.

~Jack Antonoff

I think fans get bored of the pre-roll. I also think they don't care about the pre-roll, they just want the album.
