I fell in love with flora of all types, especially ferns. Loved the sparse structure and repetition of shape - almost fractal.

~Jack Dorsey

Build what you want to see in the world.

~Jack Dorsey

It's empowering to be asked to look at what's possible, not told how to do it.

~Jack Dorsey

Make every detail perfect and limit the number of details to perfect.

~Jack Dorsey

The greatest lesson that I learned in all of this is that you have to start. Start now, start here, and start small. Keep it Simple.

~Jack Dorsey

The strongest thing you can cultivate as an entrepreneur is to not rely on luck but cultivating an ability to recognize fortunate situations when they are occurring.

~Jack Dorsey

Success is never accidental.

~Jack Dorsey

Making something simple is very difficult.

~Jack Dorsey

Don't avoid eye contact and don't be late

~Jack Dorsey

There's an entire universe in every single tweet, and it all really depends on the content as far as how it's going to spread.

~Jack Dorsey

My goal is to simplify complexity.

~Jack Dorsey

An idea that can change the course of the company can come from anywhere.

~Jack Dorsey

We get to design what we want to see in the world rather than doing what other people think should be done.

~Jack Dorsey

You don't have to start from scratch to have a massive impact on the world.

~Jack Dorsey

Revolution looks at the intersection ahead and pushes people to do the right thing.

~Jack Dorsey

Great companies don't just have one founding moment. They have many founding moments.

~Jack Dorsey
