The snow leopard is absolutely magnificent. It represents really what endangered species are all about.

~Jack Hanna

Zoo animals are ambassadors for their cousins in the wild.

~Jack Hanna

Alligators and crocodiles are some of the most aggressive creatures on the planet - they'll take down a boat if you come up to their nest.

~Jack Hanna

The world is the true classroom. The most rewarding and important type of learning is through experience, seeing something with our own eyes.

~Jack Hanna

I don't necessarily agree that all animals are unpredictable. The more you know about an animal, the more you can work with it safely.

~Jack Hanna

Wild animals are just as confused as people are now. You've got toxins in the water, oil, sewage, all sorts of things.

~Jack Hanna

If I find myself afraid or scared, that means I'm doing the wrong thing.

~Jack Hanna

You know, having raised animals all my life for 50-something years, I would say that you know, I'm fascinated by cats.

~Jack Hanna

The groundhogs are pretty good at eluding. If somebody is trying to come after a ground hog, they go and they burrow.

~Jack Hanna

Hogs and pigs are very intelligent.

~Jack Hanna

I had a very famous trainer tell me once, You can usually train a wild animal but never tame a wild animal, ever. They are always going to be wild, no matter what anybody says.

~Jack Hanna

A lion is called a 'king of beasts' obviously for a reason.

~Jack Hanna

The most magnificent creature in the entire world, the tiger is.

~Jack Hanna

A lot of cats are not that social.

~Jack Hanna

I've been out all over the world tranquilizing animals.
