A healthy sweat comes from being passionate and throwing yourself into your workout. And again, it's achieving that intensity. I always like to say 'It's not how long, it's how strong'.

~Jackie Warner

I stand behind everything I say and do.

~Jackie Warner

It's not how long; it's how strong.

~Jackie Warner

If you're eating sugar throughout the day, you're spiking your blood sugar level and you're becoming a fat storing machine.

~Jackie Warner

A lot of the men were upset or jealous of me because I got the girl. Men are always trying too hard. When I effortlessly get the girl, it pisses them off.

~Jackie Warner

Even as a young girl, straight women loved me. Straight women like me a lot more than lesbians do. Isn't that weird?

~Jackie Warner

[Growing up in rural Ohio], all of my girlfriends were cheerleaders. I'm more comfortable with straight women. I don't have any lesbian friends, sadly.

~Jackie Warner

I'm not a militant lesbian. I carry myself in a way that makes it easier for women to relate to. I can be your best girlfriend.

~Jackie Warner

Television just turns people into nightmares. The egos! I call it Omarosa

syndrome.

~Jackie Warner

You need to look at the best for what your genetic body type is.

~Jackie Warner

If people can't take the heat and can't take the controversy then they shouldn't be involved in advertising of reality TV because there is so much heat and controversy in reality TV.

~Jackie Warner

People really have to start being a smarter consumer, read labels, and understand what hidden sugars are.
