May the simple things be amazing on the journey of your life.

~Jake Owen

I think if you just look at life in a positive way, positive things will happen.

~Jake Owen

Back down a country road the girls are always hot and the beer is ice cold.

~Jake Owen

Everyone has their own path and you cant judge.

~Jake Owen

There's always going to be life experiences that find their way into my songs.

~Jake Owen

Anytime you put your name on a ticket with nothing else attached to it, that's the true testament to where you are in your career - how many tickets are sold.

~Jake Owen

I'm from Florida, so any time I get invited to come to Florida and play a show, I'm definitely always up for that.

~Jake Owen

I am big into water sports and just being out on the water. That is second nature to me, being from Florida.

~Jake Owen

But that's the problem with playing new music sometimes before the record comes out: You have a bunch of yayhoots with opinions.

~Jake Owen

I believe a No. 1 song starts happening when it's believable and validating.

~Jake Owen

I like to take my dog on the road. He stays up front; he likes it there.

~Jake Owen

There are things I want to do to be a better human being and a better father.

~Jake Owen

I started putting down my own pen and spending some time searching for the best songs out there possible. It doesn't matter if I wrote them or not.
