*People, Information, Thinking, Mail, Safety, Care, Email, Privacy, Focus,
Sensitive, Children, Actors, Clinton, Kind, Important, President, Effort, Years,
Interest, Communication*

There are those who've been hacked by the Chinese and those who don't know they've been hacked by the Chinese.

~James Comey

I'm in the business where I can't ever say there's no risk associated with someone.

~James Comey

We do assess that hostile actors gained access to the private commercial email accounts of people with whom Secretary Hillary Clinton was in regular contact from her personal account.

~James Comey

We have no basis to conclude she [Hillary Clinton] lied to the FBI.

~James Comey

There is evidence that Democrats were extremely careless in their handling of very sensitive, highly classified information.

~James Comey

She [Hillary Clinton] used her personal email extensively while outside the United States, including sending and receiving work-related emails in the territory of sophisticated adversaries.

~James Comey

I care a lot about privacy. I also care an awful lot about public safety. There continues to be a huge collision between those two things we care about.

~James Comey

Our need for public safety and our need for privacy are crashing into each other and we've got to sort that out.

~James Comey

I don't know enough about the legislation , but I think the more information you can put in the hands of the people who are vetting, people who are going to be near children, the better.

~James Comey

We all love privacy. We all care about public safety. And none of - at least people that I hang around with, none of us want back doors. We don't want access to devices built-in in some way.

~James Comey

Really bad people around the world, because of the genius of American innovation, use our products and infrastructure for their emails, for their communications.

~James Comey

Our focus is and should be on the leakers, not those that are obtaining it as part of legitimate newsgathering.

~James Comey

The more able we are to keep guns out the hand so criminals and spouse abusers all - the better. So the more information we have the better for law enforcement perspective.

~James Comey

I shouldn't talk about individuals in an open forum, at least without thinking about it better.

~James Comey

WikiLeaks is a important focus of our attention.

~James Comey

We're conducting an investigation to understand whether there was any coordination between the Russian efforts and anybody associated with the Trump campaign.

~James Comey

If conduct is intentional, it could subject some of the criminal liability.

~James Comey
