With all of the hysteria, all of the fear, all of the phony science, could it be that man-made global warming is the greatest hoax ever perpetrated on the American people? It sure sounds like it.

~James Inhofe

We should have no concern for the environment, because, after the great flood with Noah, God promised that He would never ruin the earth again.

~James Inhofe

My point is, God's still up there. The arrogance of people to think that we, human beings, would be able to change what He is doing in the climate is to me outrageous.

~James Inhofe

What would happen to the Weather Channel's ratings if all the sudden people weren't scared anymore?"

~James Inhofe

If you sit around and wring your hands as they're all doing now until something happens to a major American city, then it is too late.

~James Inhofe

I have to say when we talk about the treatment of these prisoners that I would guess that these prisoners wake up every morning thanking Allah that Saddam Hussein is not in charge of these prisons.

~James Inhofe

A country's adhering to the rule of law does not mean that its citizens will not do bad things.

~James Inhofe

If the choice is go to war or end up with an American city hit by weapon of mass destruction, then the choice is easy.

~James Inhofe

Much of the debate over global warming is predicated on fear, rather than science.

~James Inhofe

My time in the Army gave me an understanding for what it takes to provide for our national security and what it means to our service members and their families.

~James Inhofe

I am a product of the draft.

~James Inhofe

America has maintained a prohibition on negotiating with terrorists for good reason.
