The difference between Pride Jaguar and the Drago-Kazov? A Jaguar will stab you in the back to gain an advantage. a Dragan will stab you just to see if his knife is sharp.

~James Marsters

It would have to be connected with performance art somehow, either in the front of the house or the back. I was myopic about this from fourth grade on

~James Marsters

So, I'm going to go over on Angel. Joss is just going to find a way to keep me bleaching my hair, which is fine.

~James Marsters

In Europe they call geeks 'smart people,' and frankly I think we live in a culture that doesn't value intelligence enough; so I am very proud in saying that I am a geek.

~James Marsters

I'm a psychopath, but I don't have a problem with that.

~James Marsters

My personal philosophy would be don't whine, don't let opportunities pass you by, be willing to work hard, and remember that you don't know as much as you think you do, ever

~James Marsters

I don't know if any of us are mature enough to handle the brutal honesty of what's inside other people's heads.

~James Marsters

Being a hero doesn't mean you succeed in saving the day. It just means you tried.

~James Marsters

I love anybody who has convictions enough to make mistakes because only people who make mistakes get into enough trouble to be called drama, I think.

~James Marsters

I'm just getting to know myself. I'm no where near to being concise about it yet. I can't define myself. Wait a minute - I'm angry, I'm funny and I'm trying.

~James Marsters

I don't have a computer - I don't like to get into it that much 'cause it can screw with your head a little.

~James Marsters

I like all music. Well, I don't like music that was created to make money. I don't really like bands that don't write their own music

~James Marsters

I was uncomfortable with smoking too much because a lot of young kids watch and I didn't want to make that cool.

~James Marsters

Clowns make me... Think.

~James Marsters

When you listen to Prince you have no idea what decade it's from. It's beyond time.

~James Marsters

I don't know much about the internet, I'm afraid.

~James Marsters

I tend to be emotional when... I breathe.
