We can become inspired to shape a higher, more ideal future, and when we do, miracles happen.

~James Redfield

Blaming our behavior on forces outside ourselves is a way of avoiding responsibility.

~James Redfield

Life is really about a spiritual unfolding that is personal and enchanting - an unfolding that no science or philosophy or religion has yet fully clarified.

~James Redfield

The true, or higher part of the self is always seeking the state that mystics talk about, the state in which we are filled with a universal love and a peaceful euphoria.

~James Redfield

Loving and energizing others is the best possible thing we can do for ourselves.

~James Redfield

The universe is energy, energy that responds to our expectations.

~James Redfield

By seeing the beauty in every face we lift others into their wisest self and increase the chances of hearing a synchronistic message.

~James Redfield

...Dreams come to tell us something about our lives that we are missing.

~James Redfield

Sexual union is a holy moment in which a part of Heaven flows into the

Earth.

~James Redfield

When each expects the other to live in his or her world, to always be there to join in his or her chosen activities, an ego battle inevitably develops.

~James Redfield

You see, the problem in life isn't in receiving answers. The problem is in identifying your current questions. Once you get the questions right, the answers always come.

~James Redfield

Where Attention goes Energy flows; Where Intention goes Energy flows!

~James Redfield

In reality, there are no enemies; we're all souls in growth, waking up

~James Redfield

Inspiration is what keeps us well.

~James Redfield

Knowing our personal mission further enhances the flow of mysterious coincidences as we are guided toward our destinies.

~James Redfield

History is not just the evolution of technology; it is the evolution of thought.

~James Redfield

If we make sure we stay in a state of conscious alertness for the next synchronicity, our minds stay on the positive and off our fear and doubt.

~James Redfield

Once you learn what life is about, there is no way to erase that knowledge. If you try to do something else with your life, you will always sense that you are missing something

~James Redfield

Prayer power is real. By putting it into action, we will be able to stay more constantly in higher awareness than ever before. If we can do that, the world will quickly change.

~James Redfield

We can increase the frequency of guiding coincidences by uplifting every person that comes into our lives. Care must be taken not to lose our inner connection in romantic relationships.

~James Redfield

...The human perception of this energy first begins with a heightened sensitivity to beauty.

~James Redfield

If we knock on the door until it opens, not taking no for an answer, our lives will be transformed as we step up into a higher awareness.

~James Redfield

The effective prayers are affirmations.

~James Redfield

You should never take responsibility for more children than you can give attention to.

~James Redfield

Our children take our level of vibration and raise it even higher. This is how we, as humans, continue evolution.

~James Redfield

Learn to slow down and perceive the mysterious events and opportunities that happen in life... if we look closely we see they... bring us just the right information at just the right time.

~James Redfield

The worst thing that can be done to children is to drain their energy while correcting them.

~James Redfield

Michael Tomlinson's music truly explores the issues of the heart.

~James Redfield

The process of discovering who we are and what we are here to do . . . is dependent . . . on our ability to stay positive and to find a silver lining in all events.

~James Redfield

Religions become corrupted when leaders are assigned to explain God's will to people instead of showing them how to find this direction within themselves.

~James Redfield

Energy doesn't come to us so much from the things around us-although we can absorb energy directly from some plants and sacred sites. Sacred energy comes from our connection to the divine inside us.

~James Redfield

Spirituality can not be separate from how we treat our bodies, construct our lifestyles, and keep our energy at higher levels.

~James Redfield

If we stay aware and acknowledge the great mystery that is this life, we

will see that we have been perfectly placed, in exactly the right positionâ€¦ to make all the difference in the world.

~James Redfield

Very often your attitude about why an accident or illness has happened has an effect on your recuperation.

~James Redfield

The First Insight Theory: Mysterious coincidences cause the reconsideration of the inherent mystery that surrounds our individual lives on this planet.

~James Redfield

We must intend to live [the new spiritual awareness], to integrate each increased degree of awareness into our daily routine. It only takes one negative interpretation to stop everything.

~James Redfield

Beauty is something we can affirm and intend to have more of. What happens then is our perceptual ability, no matter where we are, expands in that direction.

~James Redfield

This is [her] soul group.' What do you mean?' It's a group of souls with whom she resonates closely.

~James Redfield

Evolution is a myth. God creates the future the way he wants it.

~James Redfield

If history tells us anything, it is that human culture and knowledge are constantly evolving.
