We all come to this planet as spiritual beings destined to experience a variety of challenges and situation in order to grow and evolve spiritually.

~James Van Praagh

We have all been placed on this earth to discover our own path, and we will never be happy if we live someone else's idea of life.

~James Van Praagh

Spiritual evolution is part of every soul's destiny on Earth, and each soul grows and evolves at a different rate. You are right where you need to be.

~James Van Praagh

The more we make an effort to keep our thoughts positive, the more pleasurable our journey in life will be.

~James Van Praagh

Laugh every chance you get. Laughter is sure to break the bonds of negativity that may be lurking about.

~James Van Praagh

I believe miracles are like seeds. When planted and watered by our attention and appreciation, they bloom.

~James Van Praagh

No one is in your life by mistake.

~James Van Praagh

I'd rather look forward and dream, than look backward and regret.

~James Van Praagh

If you are centered in peace and think thoughts that are kind and loving, you will attract the same kind of ideas and feelings back to you.

Remember, thoughts are like very powerful magnets!

~James Van Praagh

Our fears can cause us to miss out on a lot of experiences and golden opportunities. Don't let your fears rob you of your life.

~James Van Praagh

If you're on the path you're meant to be on, everything falls into place; the Universe is telling you that.

~James Van Praagh

The spirits talk of many levels. It's not a physical level where you go up the steps to get to the next one. It's consciousness and how evolved spiritually you are.

~James Van Praagh

Meditation is a doorway to the soul.

~James Van Praagh

Trusting your intuition is like learning to ride a bike. Everything takes practice before it becomes second nature.

~James Van Praagh

You are made of Love, and this Earth is rich with opportunities to Love. Love is all around you.

~James Van Praagh

The burden of regret can weigh us down heavily on our spiritual journey. The best way to release regret is to forgive ourselves.

~James Van Praagh

I think that all things are spirit and are derived from spirit. When you look at life from that perspective, it takes on a whole new meaning.

~James Van Praagh

Think of today as an opportunity to discover and grow beyond your mental and emotional discomfort.

~James Van Praagh

Based on our natural heritage as the Divine Light of God, every one of us possesses intuition... defined as the language of the soul.

~James Van Praagh

Our souls cannot be forced to grow, but like flowers, our spiritual selves can be nurtured until they blossom and flourish.

~James Van Praagh

Forgiveness is not an occasional act; it is a permanent attitude.

~James Van Praagh

If you have an open, loving, positive attitude, anything burdensome in life can be lightened!

~James Van Praagh

At Death we are aware that we are more than just our physical bodies.

~James Van Praagh

Once you realize you're a spiritual being, you see life so differently. You respect things. You're more responsible to yourself and others.

~James Van Praagh

Fear holds us back. Fear or love. That's all there is. We make all our decisions based on these two things.

~James Van Praagh

Love is never static, but always evolving. Love is simultaneously random and ordered, so intangible and yet a part of everything, and when we attempt to limit it or categorize it, we get into trouble.

~James Van Praagh

There is a higher more powerful part of you. Your higher self will come through your intuition, coincidences and synchronicity of all kinds.

~James Van Praagh

We unfortunately are conditioned at a very young age, "You have to do this to be loved." That's why I put in the children. You have to open them up early, encourage them, and listen to them.

~James Van Praagh

TV is a responsibility, not only in entertaining people, but using this medium of television in positive ways to teach people and enlighten people.

~James Van Praagh

Our connection with our intuitive self is ever present and always a part of ourselves.

~James Van Praagh

Thoughts are like bullets. You should be aware when you walk into a building what energy is there, whose thoughts are there. People should realize when people think of you their thought is on you.

~James Van Praagh

Thoughts are very real, even if we can't see them. They create real & powerful feelings & experiences.

~James Van Praagh

Beliefs can be roadways or roadblocks. A variety of beliefs can make life interesting and colorful.

~James Van Praagh

Following the path of love is always your soul's true desire.

~James Van Praagh

Everything is energy. Thought is energy and thoughts are real things.

~James Van Praagh

You never truly know someone until you've stood in their shoes and walked around in them.

~James Van Praagh

I love people, studying people. That's the Scorpio part of me. We are natural detectives; we like to find things out.

~James Van Praagh

When you're around negative energy it gets to you if you keep letting it affect you.

~James Van Praagh

The universe is limitless and so are you. There is a limitless supply of good that the universe wants to show you. Step out of the way and let it be!

~James Van Praagh

When you meditate, you activate cosmic energies.

~James Van Praagh

90 percent of the people in the world make their decisions based on fear.

~James Van Praagh

We use intuition as a way to connect with our Divine Self.

~James Van Praagh

Everyone can experience loving himself and opening up to awareness.

~James Van Praagh

Follow your heart and be true to yourself. Never live the life of another.

You have to create your own road.

~James Van Praagh

I do like a good mystery. I'm reading Edgar Allan Poe now. I also like autobiographies.

~James Van Praagh

I want to teach parents how they can help their kids with death, grief, and losing things, the journey of life.

~James Van Praagh

We limit ourselves so much. And, we limit heaven too. We think it's a place where angels just play harps. And hell has to be fire and brimstone. But that's very untrue.

~James Van Praagh

I am pretty specialized in people who pass over. Predictions are not my thing. Every medium is a psychic and every psychic is a medium. I do that occasionally but my specialty is spiritual pasts.

~James Van Praagh

It's very important to instill values in children.

~James Van Praagh

When you open up to awareness, it frees up your whole life.

~James Van Praagh

The more flexible we become in our thinking and being, the more we open ourselves to self-awareness & growth.

~James Van Praagh

Recognize that you are a spiritual being who is part of a large cosmic family of spiritual beings. You have the power, strength, and talent to fulfill your own individual earthly destiny.
