Midwest kids got to summer camp. There is something very special about being away from your parents for the first time, sleeping under the stars, hiking and canoeing.

~Jami Gertz

They see a work ethic in both of us. But, they also see that my husband is more in control of his future, and I am more reliant on other sources for my career.

~Jami Gertz

Special effects movies have taken over the universe. That and scary movies.

~Jami Gertz

Being a working mom is not easy. You have to be willing to screw up at every level.

~Jami Gertz

I love music and I love to dance.

~Jami Gertz

Being a Hot Mom means being respected as a mom and a woman. And, the key to being a Hot Mom is having a sense of humor about yourself and all the crazy situations that arise.

~Jami Gertz

The great medical facilities are a relief for the parents, too, who don't have to think about caring for their young ones on their own for a weekend. They have a great time.

~Jami Gertz

I have three sons, and I think were both fierce protectors of our children.

~Jami Gertz

I have three sons, a husband, parents, and I'll fight and get angry, but what is very important that I have found as I've matured, is that I have to move on.

~Jami Gertz

That's human nature - the ups and downs.

~Jami Gertz

If you can laugh, you can get through it. In our house, we laugh a lot.

~Jami Gertz

So, do I think I'm missing something? I really don't, and I think that comes with age.

~Jami Gertz

The great equalizer is health. If you don't have it, you're screwed.

~Jami Gertz

As a mom, I always feel I have to protect them. I talk about them because they are the most important things in my life but they are private people. I won't use them for my own press.

~Jami Gertz

And you can't make a mistake when you are reading the Torah, so you have men standing around who will correct you if you are reading it incorrectly.

~Jami Gertz

If you can feed your family, give them an education, then you are a success.

~Jami Gertz

My kids and my family are number one; I enjoy them the most.

~Jami Gertz
