

Jamie Bell Quotes

*Thinking, People, Kind, Stills, Way, Children, Figures, Levels, Height, Moments,
New York, Interesting, Mind, Actors, Crazy, Lazy, Challenges, Kids, Two,
Female*

I had teen angst for a while, but I think every teenager has the angst.

~Jamie Bell

I never really sympathised with Peter Parker.

~Jamie Bell

I'm a hard-mouthed north-eastern lad. That's me - the Eminem of Northeast England.

~Jamie Bell

I'll tell you what I hate - bands like My Chemical Romance.

~Jamie Bell

When you have a child, you are just immediately changed forever. You put yourself second. Your child comes first, and everything that you do is with them in mind.

~Jamie Bell

I never realised that the Edinburgh skyline was so interesting - it's gothic and very urban and there's a lot of church spires and old brownstone buildings.

~Jamie Bell

New York is great for people watching and there's a bunch of amazing rooftops.

~Jamie Bell

I love anything that kind of removes me from myself and employs something else. So, I love accents and I love pretending.

~Jamie Bell

I'm awkward around girls.

~Jamie Bell

I wanted to be a journalist for a long time.

~Jamie Bell

I have, I think, eight mentors. It's crazy, but I need them. They are all really important to me. They keep me grounded and advise me.

~Jamie Bell

I'm very good at meeting people, very outgoing.

~Jamie Bell

If you have created an image of yourself at 13 and it is still with you at 17, it needs to be dropped.

~Jamie Bell

Any time you can completely immerse yourself in something it's fun.

~Jamie Bell

I don't think there's a lot of actors out there right now who really know what they're doing at all.

~Jamie Bell

I love documentaries. It's actually my favorite medium of film.

~Jamie Bell

I'm still pretty terrified of heights.

~Jamie Bell

New York is full of crazy people, and I like that.

~Jamie Bell

I'm proud of my works. But there's not one thing that I can put my finger on and say, "That is my greatest achievement. That's my proudest moment." That's so tricky to me.

~Jamie Bell

If you're living two lives and you're lying to everyone, you're bound to slip up, in some way, you're bound to get something wrong, and you're bound to get found out.

~Jamie Bell

I'm just a small guy so if I'd dropped any more weight it would have been a bit ridiculous.

~Jamie Bell

It must be hard to be a female in a David Mackenzie movie. I feel like women in his films are portrayed a certain way - like broken people.

~Jamie Bell

I never had a father figure so I never missed it.

~Jamie Bell

Wherever the good work is I'll go.

~Jamie Bell

The reason I do small, independent movies is because I want to keep my soul intact and maintain some kind of integrity within this industry.

~Jamie Bell

It's hard to define somebody by one movie. I mean, unfortunately, my entire life was basically made by Billy Elliot. It was kind of created by that one catalytic moment.

~Jamie Bell

I don't take any photographs. I travel a lot by myself, and I feel weird taking photos on my own.

~Jamie Bell

When I see people talking about TV, they're way more animated, way more passionate than when they talk about films.

~Jamie Bell

I look at my contemporaries, and we're all at different stages and levels, and all choosing different routes, different ways to do things.

~Jamie Bell

If the right thing came along at the right time, it would be an enormous kind of challenge.

~Jamie Bell

That's just a much more enjoyable and motivating experience for me, when I can see people who are just as obsessed with the idea as I am.

~Jamie Bell

Saying "muff" to someone and trying to be romantic is incredibly difficult.

~Jamie Bell

I'm no good at the one-liner thing. It's just not me.

~Jamie Bell

I excelled in English while I was at school.

~Jamie Bell

I think documentary filmmaking is a braver way to make films because it's real, and you're really there.

~Jamie Bell

I think as English people, we don't want to be reminded that at one point we ruled three-quarters of the globe, and now we're a very small country that doesn't own three-quarters of the globe.

~Jamie Bell

I sympathize with every kitchen porter.

~Jamie Bell

Your credit card, your inbox, your Hotmail.com are not particularly secure. We are being watched; it's just a part of life.

~Jamie Bell

I actually don't mind rats at all. I kind of think they're quite cute, but that's just me.

~Jamie Bell

Dancing is like riding a bike.

~Jamie Bell

I don't think many people can say they've been the lead in a Spielberg film and still been able to live their normal life that they had before.

~Jamie Bell

Let's say that you commit a crime, you get caught, you might get sent to prison. It's going to be bad. But if you get caught spying, you're literally hanged the next morning.

~Jamie Bell

I've got lots of weird illustrations of me from Japanese fans.

~Jamie Bell

I think everyone still thinks I'm 13.

~Jamie Bell

Sometimes great things come from doing things quickly and not over-thinking stuff.

~Jamie Bell

I think I have much more appreciation for directing and movies overall versus a performance or an actor. Their body of work is more

interesting.

~Jamie Bell

I have a problem with heights in general - and climbing!

~Jamie Bell

I think it was the sense that *Turn* is a spy thriller, and that's a genre that really fascinates me, in general.

~Jamie Bell

AMC is a fantastic network that does diverse programming, and does it at a really good level and of great quality.

~Jamie Bell

I remember when I first came to America and I saw posters for TV shows and I was like, "What?! Why does a television show deserve space on a billboard?"

~Jamie Bell

The complexity of the situation of having a war going on around you and what that delivers to you is that you have to figure out which side to take.

~Jamie Bell
