The dream is you never giving up on your story because no one else can play your part.

~Jamie Tworkowski

We are all a people in need. We are not perfect. We are not machines. We make mistakes. We need grace. We need compassion. We need help at times. We need other people. And that's okay.

~Jamie Tworkowski

We don't just live in books awake and dreams asleep. We are living stories, you and I, with dreams inside us undeniable, with love to give and people to walk beside.

~Jamie Tworkowski

Nobody gets to name you. You are not forgettable. You are not replaceable. You are not your pain. You are sacred and special and alive.

~Jamie Tworkowski

What an amazing thing to feel known and loved, to feel understood, to walk through life with another person.

~Jamie Tworkowski

There's room for magic and inspiration. There's room to live a better story.

~Jamie Tworkowski

Love is a thousand things, but at the center is a choice.

~Jamie Tworkowski

So if you feel as if you feel too much, well then you are not alone. May these words find you like a friend.

~Jamie Tworkowski

We need one another. There's no reason to judge. People are more fragile than you could possibly imagine.

~Jamie Tworkowski

Don't live only in your head. It's lonely and it's dangerous.
