As a Jew I cannot sit idle while genocidal atrocities continue to unfold in Darfur, Sudan.

~Jan Schakowsky

I was proud to witness American Jewish organizations found the Save Darfur Coalition in June 2004 to mobilize a coordinated interfaith response to the ongoing humanitarian disaster.

~Jan Schakowsky

Plan Colombia was supposed to reduce Colombia's cultivation and distribution of drugs by 50 percent, but 6 years and \$4.7 billion later, the drug control results are meager at best.

~Jan Schakowsky

Three years into the war, tens of thousands of American troops remain targets of a growing Iraqi insurgency.

~Jan Schakowsky

Community health centers do a great deal with limited resources. They provide critical medical care services to many who would otherwise have no other place to go or would end up in an emergency room.

~Jan Schakowsky

Because the Bush Administration will set no timetable for the withdrawal of U.S. troops from Iraq, both chambers of Congress acted to make sure our troops will not be left in Iraq indefinitely.

~Jan Schakowsky

When we know where the hungry, the homeless and the sick exist, then we can help.

~Jan Schakowsky

Like other important immigrant communities, the Jewish experience in the United States represents the ideal of freedom and the promise and

opportunity of America.

~Jan Schakowsky

Well, I was a very strong opponent of the war, in fact, one of those who went door to door to my colleagues and thus achieved 60 percent of the Democrats voting no against this war.

~Jan Schakowsky

Handcuffing the ability of states and localities to develop clean fuels in the cheapest possible way, using local resources, is not sound or sensible policy.

~Jan Schakowsky

In Illinois, community, migrant, homeless and public housing health centers operate 268 primary care sites and serve close to 1 million patients every year.

~Jan Schakowsky

Each and every day health centers provide high-quality primary and preventive care to our constituents.

~Jan Schakowsky

Why did we not know that heads of state were being eavesdropped on, spied on? We are the intelligence committee and we didn't know that.

~Jan Schakowsky

I believe.....this is my final word.....I believe that I'm supporting the Constitution of the United States which does not give the right for any individual to own a handgun.

~Jan Schakowsky

The House Republican leadership has simply run out of ideas.

~Jan Schakowsky

As grateful as we are for all the work the community health centers do, it is also important that we recognize that they cannot solve the health care crisis facing our Nation by themselves.

~Jan Schakowsky

20,000 jobs is really not that many jobs.
