The shortest period of time lies between the minute you put some money away for a rainy day and the unexpected arrival of rain.

~Jane Bryant Quinn

The best real-estate investments with the highest yields are in working-class neighborhoods, because fancy properties are overpriced.

~Jane Bryant Quinn

Lawyers are operators of the toll bridge across which anyone in search of justice has to pass.

~Jane Bryant Quinn

Where you stand should not depend on where you sit.

~Jane Bryant Quinn

Financial planners who take commissions have a built-in conflict of interest...even with disclosure, my choice would be a Fee-Only planner.

~Jane Bryant Quinn

Savings will not make you rich. Only canny investments do that. The role of savings is to keep you from becoming poor.

~Jane Bryant Quinn

hindsight is not a strategy.

~Jane Bryant Quinn

Never try to time the bond market. Anyone who claims to know the future of interest rates is certifiable.

~Jane Bryant Quinn

It's daring and challenging to be young and poor, but never to be old and poor. Whatever resources of good health, character, and fortitude

you bring to retirement, remember, also, to bring money.

~Jane Bryant Quinn

The rule on staying alive as a forecaster is to give 'em a number or give 'em a date, but never give 'em both at once.

~Jane Bryant Quinn

Everyone can get a little sloppy with cash and it's smart to notice. But what's squeezing you is the big stuff you ladle onto your credit cards.

~Jane Bryant Quinn

Life insurance can be numbingly complicated. Clients often turn off their brains and surrender their judgment to the very agent or planner who brought on their coma in the first place.

~Jane Bryant Quinn

You get the most out of what you need the least.

~Jane Bryant Quinn

The chief function of stock-market forecasters is to make astrologers look respectable.

~Jane Bryant Quinn

Buy a friend; hire a lawyer.

~Jane Bryant Quinn

Auto insurance is a toll bridge, over which every honest driver has to pass.

~Jane Bryant Quinn

Everyone needs a small-town banker. Especially in a big town.

~Jane Bryant Quinn

Three reasons not to have a [spending] plan: 1. You're rich enough to

buy anything you want and still have plenty of money left over. 2. I forget the other two.

~Jane Bryant Quinn

Stock prices aren't real things. They're just froth on a wave. The wave is the only real thing, which investors forget when they're watching the ticket slither by.

~Jane Bryant Quinn

It's a fact: stock investors sometimes lose money on their way to wealth. Get over it.

~Jane Bryant Quinn

No one knows what stocks will do tomorrow, but the evidence is clear as to how they'll perform over 10 or 20 years. They will almost certainly go up.

~Jane Bryant Quinn

Equality is never given, it is taken.

~Jane Bryant Quinn

Everyone said, 'You can't lose money in real estate, because they're not making any more of it.' Hmmmm. Where did everyone go wrong?

~Jane Bryant Quinn

You normally don't get a margin call unless your securities, minus the debt, are worth 30% or less of their nominal market value.
