## Quotes

*Children, School, Arizona, Giving, Lakes, Cities, Play, Years, Common Purpose,  
Agency, Community, Tragedy, Success, Band, Special, Energy, Mothers Day,  
Needs, Safety, Daughter*

At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.

~Jane D. Hull

Arizona now has one of the most innovative systems of financing school construction in the nation.

~Jane D. Hull

We're helping those children who cannot help themselves and giving a push to those who can. We've done it by working together for a common purpose. I see no reason to stop now.

~Jane D. Hull

The attack and our response show just how vital Arizona's military bases are to the defense of our country. We need to do everything we can to protect them.

~Jane D. Hull

We emerged from the events of September 11 more steadfast in our beliefs, more courageous in our actions and more determined to protect our values than ever before.

~Jane D. Hull

Safety on our highways has improved significantly, with the help of the Legislature and the media.

~Jane D. Hull

Arizona is a national leader in school choice with both charter schools and tuition tax credits giving parents and their children more school choices than ever before.

~Jane D. Hull

We improved the environment in which our children live, learn and play by decreasing crime and clamping down on abuse and violence in the

home and on the streets.

~Jane D. Hull

Arizona faces many challenges ahead. None is more important or more pressing than passing a new state budget.

~Jane D. Hull

I also want to thank Arizona citizens for their efforts at conserving energy last summer.

~Jane D. Hull

During the last regular session and the most recent special session, measures that I see as little more than Band-Aids were applied to three health programs in the state.

~Jane D. Hull

Yesterday the flame of the Olympic torch was carried through our great state on its way to Salt Lake City.

~Jane D. Hull

Where else but in America could a schoolteacher from Kansas City end up the governor of her adopted state?

~Jane D. Hull

In twenty years, the Lottery has raised over \$1.4 billion. It has been run successfully and efficiently.

~Jane D. Hull

While I have some regrets that this is my last opportunity to deliver a State of the State address, I appreciate and am humbled by the opportunities this great state has given me.

~Jane D. Hull

Today, Arizona's sons and daughters, mothers and fathers are proudly

serving their country.

~Jane D. Hull

I often say that Arizonans should decide what's best for Arizona.

~Jane D. Hull

Government cannot be all things to all people.

~Jane D. Hull

The Growing Smarter laws now in place compel every community to plan their future growth and allow every citizen the right to be heard when those decisions are made.

~Jane D. Hull

The idea of it (draining Lake Powell) is absolutely ridiculous.

~Jane D. Hull

Right after the tragedy, President Bush asked Americans to get on with their lives and we did.

~Jane D. Hull

When completed, the budget must provide the services we have promised to our constituents.
