Everybody should want to make sure that we have the cyber tools necessary to investigate cyber crimes, and to be prepared to defend against them and to bring people to justice who commit it.

~Janet Reno

I had concluded when I was the prosecutor that I would vote against the death penalty if I were in the legislature but that I could ask for it when I was satisfied as to guilt.

~Janet Reno

Just remember, strength and courage. If you stand on principle, you'll never lose.

~Janet Reno

The good lawyer is the great salesman.

~Janet Reno

I made the decision long ago that to be afraid would be to diminish my life.

~Janet Reno

Until the day I die, or until the day I can't think anymore, I want to be involved in the issues that I care about.

~Janet Reno

Haters are cowards. When confronted they often back down. We must resist haters.

~Janet Reno

People have it so good in America that they get bored very easily. And when people get bored they start protesting things.

~Janet Reno

I just try to do my best and make the best judgments I can.

~Janet Reno

I have inquired for most of my adult life, about studies that might show that the death penalty is a deterrent, and I have not seen any research that would substantiate that point.

~Janet Reno

They have computers, and they may have other weapons of mass destruction.

~Janet Reno

I'm not fancy. I'm what I appear to be.

~Janet Reno

Microsoft is unlawfully taking advantage of its Windows monopoly to protect and to extend that monopoly and undermine consumer choice.

~Janet Reno

The U.S. government alleges that for the past 45 years, the companies that manufacture and sell tobacco have waged an intentional and coordinated campaign of deceit.

~Janet Reno

My earnest hope is that what we started in terms of building partnerships with communities across America will continue, that we will continue our efforts to reduce crime and violence.

~Janet Reno

The most effective means of fighting crime in the United States is to outlaw the possession of any type of firearm by the civilian populace.

~Janet Reno

We have the authority to take action, but responsible authority means not only being able to take action, but knowing when and how to take

that action.

~Janet Reno

At this moment I do not have a personal relationship with a computer.

~Janet Reno

I have been surrounded by some of the smartest, brightest, most caring lawyers, by agents who are willing to risk their lives for others, by support staff that are willing to work as hard as they can.

~Janet Reno

I'm just an old maid with an attraction to men.

~Janet Reno

The president really shouldn't be involved in terms of dictating what course the investigation should take.

~Janet Reno

Nothing can make me madder than lawyers who don't care about others.

~Janet Reno

I made the decision. I'm accountable.

~Janet Reno

America has become numb to violence because it just drowns in it, day in and day out.

~Janet Reno

We're building on an international network with many others for the passage of the Americans with Disabilities Act. There are so many things we can do to carry forward policies.

~Janet Reno

I was personally opposed to the death penalty, and yet I think I have probably asked for the death penalty more than most people in the United States.

~Janet Reno

It doesn't matter to criminals if the event is called a gun show or a flea market -- if they can buy guns.

~Janet Reno

Nobody should be owning a gun which does not have a sporting purpose.

~Janet Reno

I'm just an awkward old maid with a very great affection for men.

~Janet Reno

I worked with some wonderful people, tried my best and I feel comfortable.

~Janet Reno

Gun registration is not enough.

~Janet Reno

The diesel engine industry has illegally poured millions of tons of pollution into the air, .. It's time for the industry to clean up its act, and it's time for it to clean up the air.

~Janet Reno

There is so much to do, and I want to continue my efforts.

~Janet Reno

I always wait until a jury has spoken before I anticipate what they will do.

~Janet Reno

The Department of Justice transcends party because we're building on the Weed and Seed program.

~Janet Reno

These tanks were like a good rent-a-car.

~Janet Reno

Hate crimes based on sexual orientation are among the three top reported hate crimes, after race and religion. Our law should not ignore that reality.

~Janet Reno

I don't think that the economy can absorb a massive flow of immigration that does not relate to the issue of persecution.

~Janet Reno

If somebody thinks I have an integrity problem, then the honest thing to do is to tell me what they think it is and let me address it.

~Janet Reno

If America's tv and movie producers are unwilling to clean up their act... when it comes to sex, bloodshed and violence in their programming... the government stands ready to step in.

~Janet Reno

Vengeance is a personal reaction. But not one that government can indulge in.
