I think there's an innate sexuality that is attached to vampires and werewolves. It's passionate and sexual, undeniably so.

~Janina Gavankar

I know that you have to be reserved about certain things in your life.

~Janina Gavankar

I did all the musicals in my high school; I was in a pop group signed to Cash Money Records in college. Music has always been a really big part of my life.

~Janina Gavankar

Id rather be with Dracula than the Wolfman.

~Janina Gavankar

I grew up playing classical piano and percussion.

~Janina Gavankar

Today's imaginary band name: The Significan't.

~Janina Gavankar

I want to do a musical so bad. I don't care what it is. I'm not picky. I just want to do a musical. I'm shameless, but it's true.

~Janina Gavankar

Music informs my work so intensely. The better actor I become, the better pianist I become, and vice versa.

~Janina Gavankar

Music has always been a part of my life. I make music all the time.

~Janina Gavankar

I've always done a few things at once. I've always been a musician and an actor, at the same time.

~Janina Gavankar

People don't recognize me from gig to gig. They have no idea. But, that's really what I strive to do. I strive to strip myself down completely and build another human and become them.

~Janina Gavankar

I think that you really get what you recognize is in the universe.

~Janina Gavankar

I love big ensemble shows where there are a lot of things going on and you have to really pay attention because there's a lot of nuanced work and universal themes are being explored.

~Janina Gavankar

Pilot season is always crazy because you audition for a million things, and really, in the end, it's not up to you.
