

January Jones Quotes

*Thinking, Men, People, Fun, Believe, Fate, Dad, Mom, Successful, Placenta,
Mysterious, Meteorologists, Father, Political, Wanted, Destiny, Fall, Wedding,
January, Witch*

I lived in a town of 400 until I was like nine or ten. My dad coached all the sports - he was a gym teacher and health teacher for grades K-12

~January Jones

I wanted to be a meteorologist. I wanted to be a marine biologist

~January Jones

It's not witch-crafty or anything! I suggest it to all moms!

~January Jones

Why not show off if you've got something to show?

~January Jones

It's something I was very hesitant about, but we're the only mammals who don't ingest our own placentas. It's not witchcrafty or anything! I suggest it to all moms!

~January Jones

I have that thing in my stomach where I just need to keep striving for things. In my mind, I want the fairy tale

~January Jones

I've gotten to do a lot of weird stuff.

~January Jones

I prefer to remain mysterious and have people MAKE their own judgment calls about me than to always have to EXPLAIN who I am and what I'm about.

~January Jones

I went to a party at the Playboy Mansion once. For a Halloween Party. And everyone wasn't in costume, or if they were they were little bunnies or something, and I went as Michael Jackson.

~January Jones

Crows follow me wherever I go.

~January Jones

My dad liked how January went with Jones. My sisters' names are Jina and Jacey Jones.

~January Jones

I think men are still attracted to what they've always found attractive, which is a woman who is feminine, soft, real, and . . . womanly.

~January Jones

Mad Men' was really my first television role, and it never feels like TV to me. It's done at such a high level.

~January Jones

If I could do one thing over I'd have been nicer to my parents.

~January Jones

I choose roles that are not me.

~January Jones

I think luck is a big part of people who are successful in L.A.

~January Jones
