Take risks. Fail. Pick yourself back up again. And always, always remember this: there is no adversity capable of stopping you once the choice to persevere is made.

~Jason Kilar

Theres nothing more intoxicating than doing big, bold things.

~Jason Kilar

I'm not the kind of guy who dabbles in a lot of things.

~Jason Kilar

When youre dealing with digital goods, you dont have to be tied to one URL.

~Jason Kilar

It is impossible to state in words how much this team means to me, how much Hulu means to me.

~Jason Kilar

Look at the world around you & imagine it in a better way.

~Jason Kilar

If you can make it easier to consume, people will consume more of it.

~Jason Kilar

I'm a big believer that media is an impulse business.

~Jason Kilar

Early access is very valuable, there are a lot of consumers who would love to see something early.

My father was an electrical engineer who worked at Westinghouse in Pittsburgh. When I was growing up, my mother wrote humor columns

for the local paper. She was the Erma Bombeck of Murrysville, Pa.

~Jason Kilar

Hulu is about the shows, not the networks. The shows are the brands that users care about.

~Jason Kilar

I think challenge for Facebook is to develop a culture that has the advertiser and the ad service be as strong a part of their culture as the user obsession is.

~Jason Kilar

Cultures are not very easy to change. They're sometimes almost impossible to change.

~Jason Kilar

CBS was very generous in their offer to re-sign me. But I simply want to try something new.
