I definitely would like to do something serious. Not like a love story, but serious like maybe a gangster or a mobster. A gang or a mob movie would be great.

~Jason Mewes

I don't think anyone's ever thought I was a drug dealer.

~Jason Mewes

I'm more into the Spawn toys. They're really cool. They're coming out with a Techno Spawn series and another series, The Dark Ages, which are really cool.

~Jason Mewes

I don't really pay attention to the filmmaker thing.

~Jason Mewes

I love comics. All I've been doing is reading every day, sitting in the house. Because I've not been feeling too good, so I've been reading and reading.

~Jason Mewes

In Mallrats, you pretty much don't see him sell any weed, really. I don't consider him a big dealer.

~Jason Mewes

I'm getting Puppetmasters, too. They're one of my favorites. And they're coming out with new Puppetmasters. I try not to get everything, but I want so much.

~Jason Mewes

I'm a big toy collector. I've been slowing down because my money's been tight, but I collect toys, too.

~Jason Mewes

And then after a while he got me a job at the video store next door. I used to lock up the store and go next door and hang out all the time and watch movies and stuff.

~Jason Mewes

I did some school plays in elementary school, but that was it.

~Jason Mewes

It was a lot of fun doing the Nike commercials, too.

~Jason Mewes

I think I'll be fine in New York. If I could stay here and just get jobs in New York, that would be fine and that's what I'd want to do. I don't want to move.

~Jason Mewes

I pay attention to the actors and stuff, but not even that much. I don't pay attention to who's writing.

~Jason Mewes

Weed, you know, you just get mellow. You can drive pretty stoned and be OK. I mean, sometimes you get too stoned and you can't drive. But you could get pretty stoned and still drive.

~Jason Mewes

No, I don't have an agent. I'm hoping to get one soon.

~Jason Mewes

I was a metalhead and then I was into the rap and then I was a metalhead again.

~Jason Mewes

But, yeah, I'd love to do something else in someone else's movie.
