You can take a handful of dollars, a good story, and people with passion and make a movie that will stand up against any \$70 million movie.

~Jason Patric

I have a problem with the blatant celebrity exhibitionism that happens in this business and being sold purely as a brand.

~Jason Patric

When you look at some of the most respected actors there are and the crap that they're in... it didn't used to be that way.

~Jason Patric

I think The Exorcist is the best American horror movie ever made. Friedkin was at the top of his game.

~Jason Patric

I really tried to make movies I wanted to see. I thought that if I was good enough, somebody would always need me.

~Jason Patric

I have all this time between projects, and I'm not so sure that's a healthy thing. It's scary, because at 36 I'm woefully unqualified for anything else.

~Jason Patric

Mostly I do films that mainstream Hollywood wouldn't touch.

~Jason Patric

I don't like people who use the press to advance themselves in a way that they haven't earned as an actor, performer or director.

~Jason Patric

Everybody acts like they're in a movie in most movies. That's why they

stink.

~Jason Patric

You know how many movies it took Tom Cruise before he was making 5, 6 million dollars? It probably took a billion dollars in box office.

~Jason Patric

It's interesting to help someone find their vocabulary. There would not have been a De Niro without a Scorsese.

~Jason Patric

It's easy to be a movie star. The shoes are already there. They just put you in the shoes.

~Jason Patric

I made three movies in 1995 and I was unhappy with all of them: Sleepers, Incognito, and Speed 2.

~Jason Patric

I think that's what I really liked about Narc: My character has a real operatic range in a way that older movies used to have.

~Jason Patric

Training Day was such a Hollywood movie; I didn't like it.

~Jason Patric

Now, being on the cover of Vanity Fair is as important as being in great movies. The lines are very, very blurred.

~Jason Patric

If I was coming into the business today, I wouldn't be in it. Knowing what I know, absolutely not.

~Jason Patric

When actors talk about research, they're just patting themselves on the back.

~Jason Patric

I don't have a problem with fame. I got into this business intending to be very successful, but I wanted it to be at my price.

~Jason Patric

I try to stay under the radar.

~Jason Patric

I never turned down a movie because they wouldn't give me enough money.

~Jason Patric

I was making a lot of independent movies before the independent movement.

~Jason Patric

I don't find movies interesting. I just want to do the movies that made me interested in getting into movies, and they're few and far between.

~Jason Patric

Pacino's always played the suffering prince. I just find that interesting.
