Abstract, Bullshit, Selling, Trying, Decision, Believe, Angel, Pop Song, Singing,
Real*

You know, I'm unable to make those records where you just go in a studio and that's it. I think you can capture so much more on a record than just a particular performance on one day.

~Jason Pierce

I think it's essential to make new music now, and to try and make epic records now, and not rely on what happened in the past.

~Jason Pierce

My songs get to a stage where they resist any further change, you know? And that's kind of where they are, short of re-recording or starting again. That's kind of where it's gonna be.

~Jason Pierce

When it's a pop song, I don't really want to do pop songs, but they exist and sort of come out by accident.

~Jason Pierce
