~Jason Statham

Do 40 hard minutes, not an hour and a half of nonsense.

~Jason Statham

A lot of action movies today seem to have scenes that just lead up to the action.

~Jason Statham

Looking good and feeling good go hand in hand. If you have a healthy lifestyle, your diet and nutrition are set and you're working out, you're going to feel good.

~Jason Statham

Once you expose your private life, if you give one little bit, the floodgates are open and everyone's got a free range for you.

~Jason Statham

I should never go with rumors because they're often not correct.

~Jason Statham

Musclemen grow on trees. They can tense their muscles and look good in a mirror. So what? I'm interested in practical strength that's going to help me run, jump, twist, punch.

~Jason Statham

I'm enthusiastic and ambitious, and I work hard.

~Jason Statham

I'm used to being efficient and a guy that can do more than the average guy can.

I suppose that's the European way, dangerous and hairy.

~Jason Statham

Every actor has a strength, and sometimes you just respond to things that you see yourself better at. I'm aware of what I can and can't do.

~Jason Statham

Without doing the big blockbusters, I wouldn't be able to find the money to go after little projects that I want to do.

~Jason Statham

The fight training was very extensive, a lot of stretching, a lot of coordination of balance exercises.

~Jason Statham

If you got a good imagination, a lot of confidence and you kind of know what you are saying, then you might be able to do it. I know a lot of colorful characters at home that would make great actors.

~Jason Statham

People take chances every now and then, and you don't want to disappoint them.

~Jason Statham

It's street theater. You have to make it entertaining so people don't get bored and walk away.
