Recognizing Quebec as being different, recognizing our history, recognizing our identity, has never meant a weakening of Quebec and has never been a threat to national unity.

~Jean Charest

The power of determination will make you unstoppable.

~Jean Charest

From that moment on, there will be an irreversible process to separate Quebec from Canada.

~Jean Charest

The only difference between the easy goals and the tough goals is your determination.

~Jean Charest

You can't go east and west at the same time.

~Jean Charest

As the family goes, so goes society.

~Jean Charest

God created a path to his kingdom that is simple and straight. The obstacles that stand between you and God were created by man.

~Jean Charest

Dreams create desire. Desire creates determination. Determination creates distance between you and failure.

~Jean Charest

Canada's north is going to change a lot in the new few years. We have every resource imaginable up north.

~Jean Charest

Your small goals are clear and you understand the actions and know the path you need to take to reach these goals. In your mind, they're achievable and you know it's just a matter of time.

~Jean Charest

Determination doesn't make it easier, it makes it possible.

~Jean Charest

You have your goals. They may be small goals or they may be large goals. As you strive to achieve your goals, sometimes your conditions change and your goals will change as well.

~Jean Charest

Our real interest starts with our neighbors... the future is about regional economies.

~Jean Charest

What belongs to someone, belongs to someone.

~Jean Charest

Your larger goals are less clear. You understand the outcome that you would like to achieve. Yet, the path to travel is not as clear and you have doubts as to your ability to accomplish these goals.
