Littles, Core, Natural, Cancer, Eye, Resources, That Moment, Wildlife, Glad,
Teacher, Moments*

I think a human animal is far more wild and unpredictable and dangerous and destructive than any other animal.

~Jeff Corwin

Today, I'm a conservationist because I believe that my species doesn't have the right or option to determine the fate of other species, even ones that inspire fear in us.

~Jeff Corwin

We know that when push comes to shove, [we can] drive ourselves to save our planet.

~Jeff Corwin

What drives me is that moment of discovery. I love the unknown.

~Jeff Corwin

I love people who have died trying to save wildlife. When I see that passion, that gives me hope.

~Jeff Corwin

I'm glad I'm inspiring somebody.

~Jeff Corwin

We live in a time where we have more extinction happening on our planet than since the dinosaurs were wiped out 50 million years ago.

~Jeff Corwin

I'm a biologist. At my core, I'm a naturalist.

~Jeff Corwin

Running is my addiction. It's always present. I'm constantly thinking about my next run.

~Jeff Corwin

I am really sobered by what's happening to ecosystems around our planet and to the wildlife that is to be found there.

~Jeff Corwin

In my heart, ever since I [was] a little kid, I've been an explorer.

~Jeff Corwin

We live in uncertain times when it comes to the future of life on Earth.

~Jeff Corwin

It's the best - combining the mediums of television, documentary, and books, to give you this transmedia experience for kids, for families, and for teachers.

~Jeff Corwin

I think the hardest part about my job is the best part of my job - the travel.

~Jeff Corwin

The challenge is that we live in a time where there's a lot of crap on television.

~Jeff Corwin

The natural resources we've depended on, if the places where they exist are not stable, our own livelihood and our health is put at risk.

~Jeff Corwin

We are not far away from the point of no return when it comes to life on earth, and we have some radical choices to make.

~Jeff Corwin
