There are some Republicans who say that any time you raise new revenue, you have to have a tax cut to match it. I am not one of those Republicans.

~Jeff Flake

This isn't all going to be done in one day, either.

~Jeff Flake

Many of the earmark request forms are actually filled out by lobbyists and then just turned in by the member's staff to the appropriations committee.

~Jeff Flake

Just when you think [Donald Trump] can stoop no lower, he does.

~Jeff Flake

This Congress is out of control and in desperate need of adult supervision.

~Jeff Flake

The country is facing a fiscal crisis, and the United States Senate is at the center of the debate about how to bring federal spending under control.

~Jeff Flake

After September 11, it became unpatriotic to question any homeland-security or defense spending, and that let things get out of control.

~Jeff Flake

American leadership looks to the world and just as Lincoln did sees the family of man. Humanity is not a zero-sum game.

~Jeff Flake

Certainly the policy is right and good politics usually follow good policy.

~Jeff Flake

For one, I think as a missionary you gotta be stubborn. And you gotta try to be persuasive.

~Jeff Flake

Our government shouldn't tell us where to travel and where not to travel.

~Jeff Flake

It's going to take a while for some of these things.

~Jeff Flake

I do think that the Republican Party is in a crisis right now, a crisis of confidence about who we are.

~Jeff Flake

I feel at some point that the farm state politics will overwhelm the Florida politics.

~Jeff Flake

Enhancing long term national security requires that we have a clear-eyed view of radical Islamic terrorism without ascribing radical Islamic terrorist views to all Muslims.

~Jeff Flake
