Well, I talk about one moment in the book, but I don't know if that's my moment of discovery. It was a moment. In the book, I talk about how I started shooting, how I became a photographer.

~Jeff Vespa

It was a fortunate moment in history that I happened to be in. There was a confluence of the internet and all this other stuff that I was able to capitalize on.

~Jeff Vespa

Only sometimes I try to think about it in context. When I think about the context of, "Oh, I'm this or that," in this society, that's one of the terms.

~Jeff Vespa

Yeah, it's just a lame term. I wish it was "movie star." That's a much better term than celebrity.

~Jeff Vespa

But when I was a kid, I would look at the paper next to the phone and I would think to myself, "I want to do that." So I started doing that.
