What would surprise a lot of people about me... I'm a gardener! I have a green thumb. I really like to get into the shrubs, the bushes, and really cultivate.

~Jeffrey Donovan

I could never say I'm going to do bigger and better things because that would negate what I've already accomplished, and I don't want to do that.

~Jeffrey Donovan

If someone grabbed me, I'd probably be able to choke them out in about eight seconds.

~Jeffrey Donovan

Believe it or not, I don't own a TV. Crazy huh? I'm not a big movie-goer either. I just feel like I'm watching work. I am always outside and couldn't care less about what's on TV these days.

~Jeffrey Donovan

Encouragement from my high school teacher Patty Hart said 'you need to focus and theater might be your route out of here.' I created the program, went to college and graduate school and now here I am.

~Jeffrey Donovan

There was no theater program or anything where I'm from. So junior year in high school I started the theater program.

~Jeffrey Donovan

Do you want to see a mother and son antagonistically attack each other every single episode for five years? I don't think so.

~Jeffrey Donovan

My role as a producer is very specific. It's maintaining the creative truthfulness, day in and day out.

~Jeffrey Donovan

I don't think an actor's job is to be recognized. I think an actor's job is to facilitate the writing in a way that changes the way people think. No other business does that.

~Jeffrey Donovan

I am always outside and couldn't care less about what's on TV these days.

~Jeffrey Donovan

I have a hands-off policy when it comes to my larynx.

~Jeffrey Donovan

When you're dealing with espionage and covert affairs, sometimes the secret is more exciting than the knowledge.

~Jeffrey Donovan

There's not much out there that people are fighting for that leaves them with nothing but honor.

~Jeffrey Donovan

My mom raised us three boys by herself on welfare. It's not worse than anybody else's life.

~Jeffrey Donovan

Guns make you stupid better to fight your wars with duct tape. Duct tape makes you smart.

~Jeffrey Donovan

I think that's why I keep being drawn back to television, because I think it's one of the most creative outlets.

~Jeffrey Donovan

Believe it or not, I don't own a TV. Crazy huh?

~Jeffrey Donovan

The most fun I've had on 'Burn Notice,' I think it would have to be working with China Chow and Lucy Lawless.

~Jeffrey Donovan

I'm not a big movie-goer. I just feel like I'm watching work.

~Jeffrey Donovan

I'm very shy in real life; I can't really hit on girls.

~Jeffrey Donovan

As much as theyll let me I do my own stunts and I do all my own fighting.
