My best piece of advice I could give to all of the women and girls is really to honor and love your own uniqueness and to celebrate that and to really work hard not to try to be something you're not.

~Jenna Dewan

If you consciously send negative energy toward someone, then what you send is exactly what you will attract upon yourself in your own life.

~Jenna Dewan

There's a reason women are pregnant for nine months; by the end, you're ready to have this baby.

~Jenna Dewan

To me, being a woman in 2016 means having a voice, being unique, being true to yourself, and finding a way to be of service.

~Jenna Dewan

I'm open to whatever the universe wants to bring me.

~Jenna Dewan

The only thing that limits you right now is you.

~Jenna Dewan

I feel everything more deeply. Every action I take, I think of her first. That's a big change for me. That - and no sleep!

~Jenna Dewan

I'm a huge karaoke fan. Oh my God. I'm one of those girls who don't give the mic away. It's a problem. I'm a closeted pop star.

~Jenna Dewan

Ladies, please remember that every single picture you see in a magazine is airbrushed...we do not look like that. Love yourself!

~Jenna Dewan

Most actors and actresses are consumed by careers and getting ahead.

~Jenna Dewan

People shouldn't be ashamed of their bodies...especially women.

~Jenna Dewan

Your surroundings may change but your essence and your personality pretty much stay the same.

~Jenna Dewan

I definitely believe in ghosts.

~Jenna Dewan

I always like Madonna; any Madonna song is good for me.

~Jenna Dewan

In high school I was always thinking, 'Should I be doing more? What else should I be doing?' Now I know it will all come to me. I just have to trust my path, so that's very different.

~Jenna Dewan

I've been trying really hard to be more domesticated. It's not in my nature to clean and cook, and so I've been really good about it.

~Jenna Dewan

Old school Janet Jackson is always good. I usually go old school, it's very rare that I pick a song from nowadays.

~Jenna Dewan

I love the creative process, of getting to create your own show or your own movie, whatever it is you want to do, and have the resources to try and make that happen.

~Jenna Dewan

I'm from Texas and actually went to a regular high school, but every day after school I'd run to dance class and practice a lot and then go back the next day and stuff like that.

~Jenna Dewan

I really didn't know how people were going to react to 'Magic Mike' because there hasn't been a movie like it.

~Jenna Dewan

I really like to act, and I really like to perform. I enjoy producing as well.

~Jenna Dewan

I thought my body was going to change so quickly with pregnancy that I'd freak out. But it was really gradual.

~Jenna Dewan

I love to act. I want to be doing this forever, and I love to learn from people who I think are better.

~Jenna Dewan

I have such a girl-crush on Reese Witherspoon. I would love to do a comedy with her.

~Jenna Dewan

I was very personable and outgoing and was friends with most everybody in my class but I was a diehard dancer so I was constantly at dance classes and working toward my passion of dance.
