I'm not prepared for a zombie apocalypse. I need more bottled water, a shotgun, and stronger abs. I have plenty of canner food.

~Jenna Fischer

I'm a lover of lists and five-year plans and Excel spreadsheets. Any way that I can have any control over the direction my life is going, I gravitate towards that.

~Jenna Fischer

I still get nervous when I have a lot of makeup on, a big hairdo, and a dress.

~Jenna Fischer

Be willing to work for nothing in things you think are stupid. Make work for yourself. Make your own luck. Don't complain. Hopefully, the work will find you if you are ready.

~Jenna Fischer

Growing up, I was a very shy, wallflower type. I was not a nerd, but not popular. I was just invisible, like that person you probably didn't know you were in school with.

~Jenna Fischer

Even in college I tended to get cast in the comedies more. It was what I liked doing.

~Jenna Fischer

When I'm writing my blog, I think of myself at 13 years old, back in St. Louis, daydreaming about Hollywood.

~Jenna Fischer

I'm a very thoughtful, forward-thinking, planner kind of person. I love Excel spreadsheets and five-year-plans, and I love to review every year how my New Year's resolutions went.

~Jenna Fischer

I had this crazy job, though, when I first got to Los Angeles... I answered this ad in the back of the newspaper to be a telephone psychic, and I did that for two days.

~Jenna Fischer

I'd been out in Los Angeles for about eight years, knocking around. I actually, instead of waiting tables, worked in offices as a temporary assistant.

~Jenna Fischer

There's a part of me that wishes I had gone to school and gotten a business degree, because I almost wonder if that wouldn't be more helpful than my theater degree, in some ways.

~Jenna Fischer

As the lead of a movie, you really set the tone off-camera as well, and that's a really big responsibility.

~Jenna Fischer

With "The Office," they said, "We don't want anyone we recognize, so give us unknown actors," and I think that was the break that I needed. Because I went in and I got the role.

~Jenna Fischer

It is part of me; I could definitely be that if I wanted to, I just choose not to. I mean, I am an actress at my core, and I think we're all a little crazy.

~Jenna Fischer

Sometimes acting is really cool because it forces you to exercise certain muscles in your personality that you wouldn't normally be called upon in life.

~Jenna Fischer

I spent my whole adolescence, when you just want to be accepted, looking much younger than everyone else.

~Jenna Fischer

I don't have real big aspirations to be a movie star. I would love to be on a long-running hit TV show. You end up playing a defining role.

~Jenna Fischer

I'm very deliberate and I love Excel spreadsheets and I love five-year plans and all that. So it felt really fun to play someone so incredibly different from myself.

~Jenna Fischer

My cat, Andy, has been my best buddy since I was 18, and he doesn't care if I'm on a TV show or if I'm red-carpet ready. He just likes it when I'm there.

~Jenna Fischer

I don't have any type of sketch-comedy or stand-up background.

~Jenna Fischer

I get really excited about jewelry.

~Jenna Fischer

I studied theater in college, and I really wanted to be an actress and play a lot of different roles. Then I made landing on a television comedy my main focus.

~Jenna Fischer

I know so many amazing actors who don't get work... and then there are a bunch of real duds that work all the time. The industry is just not fair in that way.

~Jenna Fischer

Cause it's really hard, it's hard to be an actor.

~Jenna Fischer

Yeah, you know I don't ever see myself doing a super-gritty, hard-core drama.

~Jenna Fischer

I also love horror movies; I like me a big Peter Berg action movie. I'm a movie lover in general.

~Jenna Fischer

I didn't want to go to college. I wanted to move to Los Angeles right out of high school.

~Jenna Fischer

Well, I knew I wanted to be an actor, and I didn't necessarily need or want to be famous or a celebrity actor.

~Jenna Fischer

I went to a little liberal-arts college in Missouri called Truman State University.

~Jenna Fischer

Tilda Swinton is a great example of a person who completely disappears into a role.

~Jenna Fischer

Sometimes doing a movie for a short period of time is better than committing eight months to a television show.

~Jenna Fischer

It makes it really hard to just go to a dinner party because, in my work

life, I'm surrounded by the funniest people, ever. I'm really spoiled. I laugh a lot, in my day.

~Jenna Fischer

I'm a believer in the parent first, friend second philosophy, and trying to find that balance.

~Jenna Fischer

The Farrelly brothers make movies the way you imagine a movie set would be when you're a kid - fun all the time.

~Jenna Fischer

I'm not one to air my dirty laundry for the whole world.
