Strength isn't about bearing a cross of grief or shame. Strength comes from choosing your own path, and living with the consequences.

~Jennifer Armintrout

I'd never been a good damsel in distress. I was a "hands-on" damsel.

~Jennifer Armintrout

I have to go. I have a finite amount of life left and I don't want to spend it arguing with you.

~Jennifer Armintrout

As white authors, bloggers, and readers, we must stop promoting diversity as a business opportunity or a chance to buy ally points with our disposable income.

~Jennifer Armintrout

Movies like 'The Interview' and 'Team America: World Police' don't often show the realities of life in North Korea and the human rights violations perpetrated by the government there.

~Jennifer Armintrout

Well, I always did want to go out in a Braveheart kind of way. I'll just have to think of something cool to yell before they cut my head off.

~Jennifer Armintrout

If you're afraid of something, face it. Fear is irrational. The only way to conquer your fear is to stand next to it.

~Jennifer Armintrout

It was the damnedest thing, life. Once you decide exactly how things are going to go, something or someone comes along and messes it all up.

~Jennifer Armintrout

Because Melissa McCarthy actually is a fat woman, she isn't allowed to make brash statements about body acceptance. She has to apologize for her body.

~Jennifer Armintrout

The belief that a person can and should only feel grief over one sad event at a time is a truly disturbing estimate of our emotional capacity.

~Jennifer Armintrout

If we truly seek diversity in fiction, we have to let the needs of others come before our need to define ourselves as social justice allies.

~Jennifer Armintrout

The attitude of, I will never self-publish, coming from any author, indicates that they have never been in a position where it is their only option.

~Jennifer Armintrout

Occasionally, the horrors of life in North Korea do show up in our American satire.

~Jennifer Armintrout

It's far easier to brush off death if the death in question seems impossible or improbable as a personal threat.

~Jennifer Armintrout

I am sorry the only outlet for her troubled mind was in clumsy foreplay with an inadequate partner." He threw the rest of her sandwich at the swinging door as she passed through it.

~Jennifer Armintrout

Let the meek have the kingdom of heaven. The strong shall rule on earth.

~Jennifer Armintrout

I'm sorry I'm not more cultured. I'll watch PBS. And cut people open for fun. Will that be better? Will you be less embarrassed to be my fledgling then?
