If you get too attached to how you want it to come out the other side, you freeze. I try to trust that it will work out in the end.

~Jennifer Connelly

It's funny looking at yourself. You know how it is when you look back at old pictures? It's just funny looking back at yourself walking and talking at age 14

~Jennifer Connelly

You can't predict what someone else is going to do and when someone else is going to leave

~Jennifer Connelly

I try to stay focused on my life and do try not to be brought into the Hollywood fantasy.

~Jennifer Connelly

I don't always like my own behavior. I haven't known anyone who is perfect all the time.

~Jennifer Connelly

I had to stand in front of my refrigerator, which was open, dipping pretzels in cream cheese and stuffing them in my mouth. If I did that, I was good. Otherwise I was nauseous.

~Jennifer Connelly

Growing up, being watched from the outside... it's kind of very taxing and maybe I should just do some kind of manual labor-it might be more relaxing. But I can't, it's not in my nature.

~Jennifer Connelly

I felt for a long time that this is what I want to do so I'm happy at this point to just take my time and work on projects that I feel strongly about, and the rest of the time just live my life

~Jennifer Connelly

You don't want to get rid of your experiences, because they're your experiences - good or bad - and you need them, but it would be great if they weren't on the video shelf!

~Jennifer Connelly

I didn't expect to win the Oscar. You grow up watching the Oscars on TV and you think it happens to fancy people. It was really surreal

~Jennifer Connelly

We're blessed to be worrying about the silly things that we worry about when people are worrying about where they are going to sleep, and what they are going to feed their kids every day.

~Jennifer Connelly

You make mistakes as a parent. Then you wish you hadn't said that, or you wish you hadn't told them how to dress. You cringe.

~Jennifer Connelly

I'm not one of those people who thinks they simply deserves success. I have the drive to work. Maybe that's why I've stayed on the fringe.

~Jennifer Connelly

Neither my husband nor I am interested in mincing words. If I break something, for example, I have to announce it. I'm a compulsive confessor.

~Jennifer Connelly

I had a good time working with Russell Crowe, Ron Howard and Ed Harris. It was a great cast and Russell worked really hard, doing tons of research and questioning everything

~Jennifer Connelly

I had enough time being single to know I have no regrets about being married!

~Jennifer Connelly

I do finish reading a script and say, Why are they making it and what are they talking about? I like to try and be responsible in my choices in that way.

~Jennifer Connelly

I try to do a lot of research beforehand so I know where I want to go with a scene. I try not to get too stressed about it, because I find that's the worst thing

~Jennifer Connelly

I am just blessed they are such great, really wonderful kids.

~Jennifer Connelly

I don't know if I was a star. I was certainly working a lot and that was strange because there were good things about it and things that were difficult.
