When it's going well, stand-up is the best thing in the world, but when it's not, it feels like all your toes are being pulled off one by one.

~Jennifer Coolidge

A boyfriend has so much to do with a woman blossoming.

~Jennifer Coolidge

I've made a career of taking roles that other actresses didn't want.

~Jennifer Coolidge

We could not talk or talk forever and still find things to not talk about.

~Jennifer Coolidge

I feel that when you want to seduce a man, you really need your legs. Since all my outfits were long dresses, I have to say that I really didn't feel sexy at all.

~Jennifer Coolidge

You can never tell what the public will think! But when something goes well and is well-received, it's a great surprise!

~Jennifer Coolidge

I have been able to sniff out a phony.

~Jennifer Coolidge

I've only had one dramatic role in my entire career and when I did it, I was in heaven and I thought, 'Oh my god, I'm going to get more of these.'

~Jennifer Coolidge

When you're an actress, there are only a few times you can really get paid. One of them is doing a sequel. They can't fake you or hire another actor to play you.

~Jennifer Coolidge

I always find the most depressing stuff most interesting.

~Jennifer Coolidge

I dated a guy who played bad guys in movies all the time, and I think he was just a bad guy.

~Jennifer Coolidge

I don't actually go on the Internet that much.

~Jennifer Coolidge

Sexual awareness is part of growing up. When you're growing up, you can't get away from sex.

~Jennifer Coolidge

Sometimes, you have no idea why something works and other times, you put so much work and effort into something and it just falls flat.

~Jennifer Coolidge

I read a script and I know immediately whether that role is for me or not.

~Jennifer Coolidge

There's definitely a psychology to making you feel important and like you're part of the game. It's a very special quality, especially with a first-time director.

~Jennifer Coolidge

When you're making a movie, you feel like a very small part of something that you really don't have much influence upon. You roll in, you do your thing, and then you're gone.

~Jennifer Coolidge

I didn't think American Pie was going to be what it was! I had a very small role and the reception I received was just crazy.

~Jennifer Coolidge

Short of spending \$10,000, there is nothing you can do to your head to hide the fact that you're going bald.

~Jennifer Coolidge

I'm kind of harsher than most people.

~Jennifer Coolidge

I always date younger men. For some reason that's just the way it's gone, because younger guys have always asked me out and I accept.

~Jennifer Coolidge

As young, hot actors living in Hollywood, you get even more attractive.
