All I'm saying is that I understand if the novelty's worn off and you want to get off the carousel ride now before it kills you.

~Jennifer Estep

I used to murder people for money, but these days it's more of a survival technique.

~Jennifer Estep

Her touch was as soft as a snowflake falling onto my skin.

~Jennifer Estep

Did she just call me a bleeding toothpick? Kill her! Kill her now!

~Jennifer Estep

One by one, the others all nodded their heads again, as if we were talking about having a spring picnic instead of going up against the deadliest woman in Ashland and all of her men.

~Jennifer Estep

I wouldn't say hate, exactly. You're kind of like fungus, Gwen. After a while, you just start growing on people.

~Jennifer Estep

Always take the most unexpected route

~Jennifer Estep

That's hard core, Gin,â€• Finn replied. â€œVery hard core. Kind of kinky too.â€• A grim smile tightened my lips. â€œThat's me. Gin Blanco. Hard core and kinky to the bitter end.

~Jennifer Estep

I'm going to untangle her deadly scheme, even if it leaves my love affair hanging by a thread.

~Jennifer Estep

I pulled the trigger twice, cutting off his protests, and Finn joined my lover on the floor.

~Jennifer Estep

Really, Gin, did you have to ruin my suit?â€• he said. â€œThis was a Fiona Fine original.

~Jennifer Estep

Moonlight slipped in through the lace curtains, slicing everything with its sliver cracks. That's how I felt right now - cold and cracked and hollow and empty.

~Jennifer Estep

I'm crazy about you, Spartan.

~Jennifer Estep

Since coming to Mythos, I'd almost been run through with a sword and mauled to death by a killer kitty cat. Dirty looks didn't faze me anymore.

~Jennifer Estep

I didn't know if he really meant talk, make out, or something else completely, but I'd be happy with any of them.

~Jennifer Estep

It was better to know what people were really like than put your trust in someone who just wanted to hurt you in the end.

~Jennifer Estep

This is an Aston Martin, Gin. You don't run over dead bodies in an Aston Matin." "Tell that to James Bond

~Jennifer Estep

My name is Gin, and I kill people.

~Jennifer Estep

Oh, Finn isn't an assassin,â€• I cut in. â€œHe's much, much worse. He's a banker.

~Jennifer Estep

You're mine," "Not his. Mine. Only mine. Always mine.

~Jennifer Estep

I know that look. What are you up to, Gwen?" "What makes you think I'm up to something?" The Valkyrie snorted. "You're breathing, aren't you?

~Jennifer Estep

What was it with people always trying to kill me in the library? Nickamedes so needed to put up warning signs. Danger: Working here could be hazardous to your health.

~Jennifer Estep

It'll be okay, I promise. No matter what I see or feel. You'll still be Logan and I'll still be your Gypsy girl.

~Jennifer Estep

Logan Quinn was the kind of guy who could stab me in the eye with a freaking Twizzler.

~Jennifer Estep

Come on, Gypsy girl. I'm bleeding to death here, in case you haven't noticed. At least make it worth my while and kiss me before I die.

~Jennifer Estep

No matter what happens, I'll always come back to you." "Promise?" I asked in a shaky voice. Logan's eyes burned with icy determination. "Promise.

~Jennifer Estep

I eat haughty, arrogant, manipulative, self-important bitches like you for breakfast, sugar. And then I go back for seconds.

~Jennifer Estep

And that's when I snapped up my left hand and smashed him in the face with the hammer I'd grabbed.

~Jennifer Estep

I know that maniacal twinkle in your eye. You're up to something Gwen," he said.

~Jennifer Estep

And I was stuck here at Warrior Freaks R Us.

~Jennifer Estep

I'd be damned if I let him see the tears in my eyes.

~Jennifer Estep

I might be an assassin, but never let it be said I wasn't as gracious a hostess as the next gal.

~Jennifer Estep

Art should look like art, trees and flowers and people, not weird shapes and splotches of color all smeared together.

~Jennifer Estep

I don't judge you for what you've done, Gin. Why are you judging me for another man's mistakes?

~Jennifer Estep

Too bad the smile was on the face of the wrong man.

~Jennifer Estep

You bruised my ego, you see, and there's just not enough money in the world to soothe my ego when it gets bruised

~Jennifer Estep

That was my favorite dagger." She had a favorite dagger? Seriously? And she thought that I was a freak.

~Jennifer Estep

He realized something was going on between Logan and me. I wish he'd clue me in on exactly what it was, because I had no idea.

~Jennifer Estep

It didn't take long for the anger to put the happiness in a headlock.

~Jennifer Estep

Rage filled me at her words - cold, black, unending rage. Whatever happened to me, Mab would not hurt my sister again. She would not.

~Jennifer Estep

What are you smiling at?' - "Oh, nothing much. Just my hero

~Jennifer Estep

Are you coming along peaceful-like, or am I going to have to hog-tie you and put you in the car?

~Jennifer Estep

Killing people was far easier than making polite chitchat.

~Jennifer Estep

But I'd much rather face a dozen assassins like LaFleur any night than deal with something as tricky, convoluted, and fragile as my feelings.

~Jennifer Estep

You can work with me" or you can wade through the blood and

bodies after I'm done.

~Jennifer Estep

You're just jealous." "Hardly. Been there, done you. Adequate, but unremarkable.

~Jennifer Estep

The two men eyed each other. Assessing strengths. Looking for weaknesses. Measuring dicks once again

~Jennifer Estep

Finn did what he always did when confronted by an angry woman—he checked out her boobs.

~Jennifer Estep

They'd played "Sweet Home, Alabama" so many times I wanted to crash the party, kill the radio, and knife whoever was selecting the music.

~Jennifer Estep

Etiquette? What kind of etiquette was there in someone trying to murder me?

~Jennifer Estep

I did not glow with the thrill of battle. Cringe, yes. Glow, no.

~Jennifer Estep

Emotions were for those too weak to turn them off.

~Jennifer Estep

You're late." "Sorry. I was busy talking about my feelings and killing people.

~Jennifer Estep

Kiss me or let me go. I don't care anymore.

~Jennifer Estep

Still, I'd do anything for him. Even smear his clotting blood inside the vehicle of his choosing.

~Jennifer Estep

You've got a thing for Donovan Caine. You have ever since you killed Ingles, his partner, and he went all dogged and determined on you.

~Jennifer Estep

I didn't know what would take my mind off the sexy Spartan, except for maybe a total lobotomy.

~Jennifer Estep

The two men stared at each other. Assumptions were made, judgments rendered, dicks measured.

~Jennifer Estep

Have I ever told you how scary it is that you think of heels in terms of their possible shiv potential?

~Jennifer Estep

Oh yes. You've caught me. I confess. My sole purpose in life is to gleefully, willfully, maniacally destroy all of your precious chrome babies.

~Jennifer Estep

"Are you OK?" I asked. "I think so." Logan stared at me, and a smile pulled up his lips. "But maybe you should give me mouth-to-mouth, just to make sure.

~Jennifer Estep

Just another part of that Spartan killer instinct. I can slay the ladies just

as well as I can reapers.

~Jennifer Estep

Finn regarded pesky little things like wedding bands, engagement rings, and jealous, hulking menfolk more as amusing challenges than immovable obstacles that could be hazardous to his health.

~Jennifer Estep

I was so getting tired of fighting for my life in the library.

~Jennifer Estep

Oh, baby. You have no idea what I'd do to get through those layers and down to the good stuff.

~Jennifer Estep

What can I say?" I grinned. I have a magic touch when it comes to animals." Daphne snorted. "You're touched in the head is more like it.

~Jennifer Estep

Don't you agree, fuzzball?

~Jennifer Estep

The band geek has liquor?

~Jennifer Estep

Easy was for people too weak to suck it up and do what needed to be done. And I wasn't weak. Not anymore.

~Jennifer Estep

I'm a figment of your imagination. You're only imagining that I'm sitting here eating with you. Because I'm just so freaking awesome that people daydream about being seen with me.

~Jennifer Estep

Let him look," he whispered and kissed me again.

~Jennifer Estep

Don't make it a challenge. You know how much I like those.
