*Pain, Thinking, Children, People, Journey, Peace, Change, Optimistic, Passion,  
Teacher, Mind, Way, Two, Fighting, Home, Success, Vision, Names,  
Inspirational, Heart*

Success is not a destination that you ever reach. Success is the quality of your journey.

~Jennifer James

Then you will be the one others envy, and you can remember the pain and reach out to them.

~Jennifer James

It's a lot easier to get your way if you have more than one way.

~Jennifer James

The accumulation of small, optimistic acts produces quality in our culture and in your life. Our culture resonates in tense times to individual acts of grace.

~Jennifer James

There are, of course, two kinds of suffering, that which has a reward and that which doesn't.

~Jennifer James

If you had to choose only two qualities to get you through times of change, the first should be a sense of self-worth and the second a sense of humor.

~Jennifer James

The best revenge is, of course, a good life. Enjoy yourself, be happy, be successful. It'll drive them crazy-or you can imagine it does. You'll feel so good you won't care.

~Jennifer James

The journey toward the heart is always a journey home.

~Jennifer James

There is no love that rewards with more consistency and provides

lifelong passion as the love one has for the world.

~Jennifer James

Enlightenment is being able to go to your own home and feel comfortable.

~Jennifer James

You can speed up your life if you want to - that's easy. Winding down is what's hard.

~Jennifer James

You are much more than the sum of what you produce.

~Jennifer James

The lost wallet or purse law: No matter how careful you are, assume that you will lose a few. ... Keep grief to a minimum. It's bad enough your stuff is gone; don't lose your mind too.

~Jennifer James

Pain is a great teacher, but most of us would rather learn some other way.

~Jennifer James

People who think in absolutes usually don't listen to anyone but themselves. They resist new ideas and try to preserve the status quo.

~Jennifer James

People who think they know usually stopped thinking long ago.

~Jennifer James

Insight is 'mental vision,' one of the ways in which the mind escapes the limits of the obvious or the familiar.

~Jennifer James
