I don't need a reason to kill myself-I need a reason not to.

~Jennifer Jason Leigh

I love Polaroids and I have a Polaroid camera collection from the '50s.

~Jennifer Jason Leigh

I like a movie that the audience actively has to participate in, and not just casually observe. Whatever my part in it, just as an audience member, I find that exciting.

~Jennifer Jason Leigh

You know, you really do choose your existence in a way.

~Jennifer Jason Leigh

I just don't plan things. I live a month at a time.

~Jennifer Jason Leigh

For me, something dangerous would be playing the babe in a huge studio film. That would be terrifying because I'd stink... I want to explore human beings on as deep a level as I can.

~Jennifer Jason Leigh

Writing, producing and directing, I must say, is incredibly satisfying and gratifying.

~Jennifer Jason Leigh

When I find a role I want to play, I just go after it.

~Jennifer Jason Leigh

I've always done roles that really appealed to me on a gut level and which I found inspiring.

~Jennifer Jason Leigh

I loved acting as a kid because I was kind of shy, so it brought me out

of myself.

~Jennifer Jason Leigh

Acting for kids is like playing house, you know? But growing up in Hollywood, it just made it seem possible.

~Jennifer Jason Leigh

I'd love to have children, and I think marriage is great, I really do.

~Jennifer Jason Leigh

I hate parties. I don't like big crowded things.

~Jennifer Jason Leigh

I don't want to play the same person twice, that's not why I wanted to act.

~Jennifer Jason Leigh

It's very exciting to work with people who inspire you.

~Jennifer Jason Leigh

Even if the role is very far away from me, to try and make it as nakedly me as possible is an intriguing notion.

~Jennifer Jason Leigh

It usually takes about two and a half weeks after you're done filming where you kind of return to yourself again.

~Jennifer Jason Leigh

Children accept their world as the world. I grew up like kids that I went to school with. Their parents were either shrinks or actors.

~Jennifer Jason Leigh

One of the reasons that I do a lot of different kinds of pictures is because I learn a lot when I'm doing them.

~Jennifer Jason Leigh

I love being in therapy. It's just constantly fulfilling for me.

~Jennifer Jason Leigh

I don't really watch my moves all that often; I mean, really, I don't.

~Jennifer Jason Leigh

I used to hang out by the food table at parties because you don't have to talk to anybody. If you do then you can talk about the food.

~Jennifer Jason Leigh

In some ways, you're always redefining your craft and figuring it out, but in some ways, I almost feel I'm going back to what I was doing 20 years ago.
