That's why you call it a budget. You set it and you don't budge.

~Jennifer Morrison

Cleaning is my favorite way to relax. I clear things out and get rid of the stuff I don't need. When the food pantry and the refrigerator are organized, I feel less stressed.

~Jennifer Morrison

I drink coconut water before my workouts. It has just the right amount of calories and electrolytes to get me going. My body has actually started craving it.

~Jennifer Morrison

I really do see the good in people, and I don't want to change that.

~Jennifer Morrison

In life, there are those relationships where you really love someone, but they're just not right for you and there's a little bittersweet feel to it.

~Jennifer Morrison

If someone's lying about something small, you don't know what else they're lying about. I'm a big girl, I can handle the truth - even if it's not good news.

~Jennifer Morrison

The longer I'm alive, the more I realize how little I know. Pretending that you know everything about every topic, and being very vocal about it? That's an instant turnoff.

~Jennifer Morrison

I'm trying to incorporate colour into my life. Until recently, everything in my closet was black, white, grey, navy or olive.

~Jennifer Morrison

Yoga probably makes me a better person.

~Jennifer Morrison

I discovered what is and isn't important to me. I decided I really wanted to enjoy life with someone fun, who can make the best out of any situation - whatever it is we're doing.

~Jennifer Morrison

A great pickup line is one I don't even notice. It has me connecting with you, laughing, having a good time. And that definitely gets my attention.

~Jennifer Morrison

I always have my passport on me, as well as two currencies.

~Jennifer Morrison

I would have to say that working on 'Warrior' felt more like working on a play than any other film I've ever done.

~Jennifer Morrison

I feel like a Mac store! I have a Canadian iPhone, an American iPhone and an iPad. I'm constantly downloading music to iTunes.

~Jennifer Morrison

I adore Smashbox lip stains. I carry a natural color for daytime and a berry shade for going out at night.

~Jennifer Morrison

I have seven scars from having moles removed. One was a melanoma, six were precancerous. Get your moles checked!

~Jennifer Morrison

Unite has a great dry shampoo called 7Seconds. After a hot yoga class, when I'm super sweaty I spray this on and my hair comes back to life.

Miraculous!

~Jennifer Morrison

I'm a sucker for giving people money on the street. I don't know if it's a good or a bad thing, but I can't help myself.

~Jennifer Morrison

I like when a guy wears a T-shirt, and you can see a little curve of the muscle sticking out. That's sexy!

~Jennifer Morrison

My favorite movie ever is Bicycle Thieves.

~Jennifer Morrison

'House' was such a special part of my life.

~Jennifer Morrison

I love In-N-Out Burgers!

~Jennifer Morrison

I got my SAG card when I was 10 by starring in a Beanie Weenie's commercial.

~Jennifer Morrison

I buy tons of magazines. They're a big part of how I research characters. And I keep them around and go back to them years later. I just have stacks.

~Jennifer Morrison

We're in a time now where technology is such that we can create anything, and that's what's new about television and film these days.

~Jennifer Morrison

The big scandal was when I was in seventh grade and I modeled a

bathing suit. Everybody freaked out!
