Play my own game. You can read all the books, but you have to listen to your intuition and not do everything exactly as they say. You have to do what feels right.

~Jennifer Tilly

Im wearing an outfit that looks just like a cupcake ... a pink frothy blouse, low cut ... everything a little inappropriately girlie ... Pink, pink, lot of pink, ... Out of Practice.

~Jennifer Tilly

That Hollywood thing, where everybody hugs and kisses everybody else-I always stiffen. It's an assumed familiarity. It's phony.

~Jennifer Tilly

Everybody knows that love goes away.

~Jennifer Tilly

If I was like some of the characters I played, I'd probably be dead by now.

~Jennifer Tilly

Everyone said that if you want to be a real actor, go to New York. If you want to sell out, go to L.A. And I thought, "I want to sell out!"

~Jennifer Tilly

A way you can get really good abs in film is you get your makeup artist to paint shadows - faux washboard. But if you see me in a movie and I have great abs, it means I have a great body double.

~Jennifer Tilly

I'm not apologizing for what I did. I'm apologizing for what I didn't do.

~Jennifer Tilly

I would rather be loved by somebody who respected me.

~Jennifer Tilly

I still haven't made a film that defines who I am.

~Jennifer Tilly

My mother had all these maxims-like, classy girls never chew gum, never read comic books, never get their ears pierced, never get their hair dyed.

~Jennifer Tilly

I have to tell you, I'm not like Demi Moore, where the tears trickle prettily down my cheeks. My whole face screws up and it's like, Oh please, get a room.

~Jennifer Tilly

If you have Julia Roberts in a movie you're never really afraid for her because you know she's not going to die.

~Jennifer Tilly

I won \$100,000 in Vegas, which buys furniture for my beach house. That takes nerves. You can't think if I'm wrong I'll blow \$30,000.

~Jennifer Tilly

Felting Phil (taking all of his chips down to the felt on the table). I loved beating him and then he'd go over to the couch and sulk, staring at the ceiling.
