I feel vulnerable on mountains. It's an uncontrolled, raw environment. It's very - it's truly humbling.

~Jeremy Jones

Man, the feeling of the make is something that I can't put to words, it's the very best feeling in the world. I just chase that, it's a very real feeling and straight up, I am addicted to it.

~Jeremy Jones

I feel very fortunate to be healthy, so I try to take advantage of it.

~Jeremy Jones

In all aspects of my life, I try to reduce my impact on the earth - that includes snowboarding, as well.

~Jeremy Jones

The balancing act is challenging at times.

~Jeremy Jones

I hate to say it to the kids out there but I just kind of blew off everything and made snowboarding the number one priority in my life

~Jeremy Jones

Our society has got to evolve and create better ways of living.

~Jeremy Jones

I'm trying to simplify my life, I guess that's my latest project.

~Jeremy Jones

Life's a little bit too crazy for my liking right now.
