I'm not real impressed with the Star Trek weaponry, I gotta be honest.

~Jeri Ryan

I've loved the escapism of being another person, slipping into another character for a little while

~Jeri Ryan

I was raised all over. Kansas, Hawaii, Georgia, Texas and Kentucky, by the time I was 11.

~Jeri Ryan

I don't necessarily believe in aliens coming to the States, and I don't buy into the government cover-up.

~Jeri Ryan

I have a lot of fun with guns, especially the M-16, but my favourite is my little .22. It fits nicely in the palm of your hand. I do limit myself to blanks.

~Jeri Ryan

Cheating is often more efficient.

~Jeri Ryan

This was truly guerilla filmmaking. We shot out in the middle of nowhere in a place called Delta Flats, where basically every day was some new minor catastrophe.

~Jeri Ryan

It was really a pleasure to play someone who's literally pushed past her breaking point repeatedly.

~Jeri Ryan

I get to pretend I'm flying into space, and hang out with my friends. That's what I do for a living.

~Jeri Ryan

I think the more stressful our times get, the more we look for fantasy escapes.

~Jeri Ryan

It might be arrogant to think that we're the only living creations in all of the solar systems that there are. Space is so vast

~Jeri Ryan

My husband travels a lot with his job, so we have a lot of frequent flyer miles so we can hop on a plane with no notice. That's a nice luxury and he is very supportive

~Jeri Ryan

The whole sex symbol or babe thing doesn't bother me.

~Jeri Ryan

The costume that I wear on the show is a little snug and doesn't leave a whole lot to the imagination. I don't have a problem with it because of the way this character's been written.

~Jeri Ryan

West Hollywood is predominantly gay, so every man that came into the grocery store was shopping for his boyfriend.

~Jeri Ryan

Sorry, I get a little excited when I talk about firearms.

~Jeri Ryan

There is a very large chunk of our population who firmly believe in extraterrestrials.

~Jeri Ryan

My background has been very helpful for this experience. But everyone was so accommodating because they knew it's not the most comfortable position to be the new kid.

~Jeri Ryan

I'm not so widely known that I'm going to be pigeonholed

~Jeri Ryan

I was always a fan of horror films as a kid.

~Jeri Ryan

That's what makes a character interesting from an actor's perspective - the more screwed up, the better.

~Jeri Ryan

My husband is someone who's in the real world. It's a big help that I don't have both feet in Hollywood

~Jeri Ryan

I loved working with Eric Close and J. T. Walsh.

~Jeri Ryan

I could do without the Bubonic Plague.

~Jeri Ryan

No doubt that he will make an excellent senator.

~Jeri Ryan

I have no specific ideas in mind of what I will or won't do; it's all about the roles.
