I don't have slim children. I have hearty ones.

~Jessica Capshaw

I love my babies so much that I could kiss them all day long..as a job. I could be a professional baby kisser. No joke.

~Jessica Capshaw

I just saw a guy filling up his gas tank with one hand and smoking with the other. Seriously?

~Jessica Capshaw

Listen, the obvious thing to remember is without dark, there is no light, and without light, there is no dark.

~Jessica Capshaw

I love what I do and I think it shows. As my kids get older, they can see me as a mom who loves working.

~Jessica Capshaw

Maternal health remains a staggering challenge, particularly in the developing world. Globally, a woman dies from complications in childbirth every minute.

~Jessica Capshaw

It's not a guy and a girl, or a girl and a girl or a guy and a guy - it's a relationship.

~Jessica Capshaw

It's never bad to be liked, and who doesn't feel good being liked, but that can't be your end game goal.

~Jessica Capshaw

My husband always smells good to me.

~Jessica Capshaw

The end of anything is not fun because there's a nostalgia to it and everything else. Even the end of a bad relationship can feel so, so, so sad.

~Jessica Capshaw

I've always had to work hard for what I've got and to stay where I was.

~Jessica Capshaw

The only thing I never have unless I'm pregnant is heartburn.

~Jessica Capshaw

A lunch date is more fun than a dinner date; you're not tired. It's a secret that not a lot of other parents told me about.

~Jessica Capshaw

I'm very active when I'm not pregnant, but I think fitness should be a natural part of your life, not something you have to force yourself to do.

~Jessica Capshaw

I don't know if it's ever OK for someone to be selfish. Perhaps there's a time and place to be self-centered, but I think selfish never wins the race.

~Jessica Capshaw

I do think that with any kind of infidelity, on some level - unless you're dealing with a sociopath - there's always a reason.

~Jessica Capshaw

I got a Cabbage Patch doll from my mom when they were impossible to get. She later told me that she had to buy it off the black market. That was the best!

~Jessica Capshaw

I was always the girl who had that baby face.

~Jessica Capshaw

I'll never give up my Dior mascara.

~Jessica Capshaw

I love the surprise element of being a mom.

~Jessica Capshaw

I love to wear dresses when I'm pregnant.

~Jessica Capshaw

I use only essential oils for perfumes.

~Jessica Capshaw

My musical taste is like a 16-year-old girl's when it comes to working out - Rihanna, Black Eyed Peas, Miley Cyrus. I love it all!

~Jessica Capshaw

As cute as baby clothes are... I try to buy less.

~Jessica Capshaw

Ingredients should not read like a chemistry experiment!

~Jessica Capshaw

I've braved the red carpet when I didn't feel comfortable, and when I look at the pictures, it always shows!

~Jessica Capshaw

I don't remember, at 19, someone giving me a golden key and saying, 'Welcome to Hollywood; which job would you like?'

~Jessica Capshaw

As an actor, you wouldn't be able to play a character if you were worried about the reaction to what you're doing.

~Jessica Capshaw

I am a very hopeful person.

~Jessica Capshaw

Infidelity is horrible - there's nothing worse than that; it's devastating.

~Jessica Capshaw

To be honest, makeup is a big part of what I do for a living.

~Jessica Capshaw

Being a mom has been my most important job to date, and I take my job very seriously, and I have a lot of fun doing it.

~Jessica Capshaw

I'm a Midwesterner! Not being able to have a cheeseburger once in a while would be torture!

~Jessica Capshaw

I was never a rail-thin person.

~Jessica Capshaw

There are all kinds of sexualities. There are all kinds of ways that people express their sexuality.

~Jessica Capshaw

Kissing scenes with a boy or a girl, they're awkward. There's nothing sexy about it. There's a lot of people standing around.
