Bullying is not okay. Period.

~Jim C. Hines

Like any child raised on tales of magical worlds beyond paintings and mirrors and wardrobes, I had yearned to enter Middle Earth, to reach through.

~Jim C. Hines

If we ruled the world, I guarantee you they never would have cancelled Firefly

~Jim C. Hines

Every libromancer had a first book. Etched more sharply into my memory than my first kiss, this book had been my magical awakening.

~Jim C. Hines

Freedom of religion does not give you the right to physically or verbally assault people.

~Jim C. Hines

If I'm making myself laugh, I figure most of my readers will be amused as well.

~Jim C. Hines

Any factual errors that remain are entirely the fault of Bob, who snuck into the offices at DAW to try to sabotage my book. I hate that guy.

~Jim C. Hines

I read more books for research purposes, whether its a fictionalized biography of Johannes Gutenberg or a stack of urban fantasies.

~Jim C. Hines

I have a day job, which means my family isnt dependent on the writing income. So if I have an idea I like, I write it.

~Jim C. Hines

I've tried to write deep and serious. I spent years working to write a story that would make my writing group cry.

~Jim C. Hines

A zombie amusement park sounds like fun, but the health code violations alone are enough to turn your stomach.

~Jim C. Hines

That worked great! Thank you so much. What next?" "I don't know. I didn't expect you to live through it." "Oh.

~Jim C. Hines

That is a trial I must face," Veka said. "No, that is a multiheaded snake thing, Jig snapped.

~Jim C. Hines

Do you know why happily ever after is a lie?" Snow asked. "Because life is change.

~Jim C. Hines

The more we narrow the definition of beauty, the more beauty we shut out of our lives.

~Jim C. Hines

New rule: every fantasy author who doesn't treat horses like tireless hairy motorcycles automatically gets a Hugo.

~Jim C. Hines

...bookstores, libraries... they're the closest thing I have to a church.

~Jim C. Hines

This presents a serious question." They both looked at me. "What's

that?" asked Lena. "Whether to start you off with a Doctor Who marathon or dive straight into Firefly.
