

Jim Clyburn Quotes

*Children, Community, Oil, Black, Environmental, Iraq, Giving, Believe,
Important, Thinking, Sometimes, Vote, Problem, House, Expectations, Impact,
School, Toughness, Effort, Protect*

Last week in the Homeland Security Committee, Republicans were against port security; and today, one week after Democrats unveiled our Real Security Agenda, they're for it

~Jim Clyburn

We have a moral responsibility to protect the earth and ensure that our children and grandchildren have a healthy and sustainable environment in which to live.

~Jim Clyburn

Environmental protection doesn't happen in a vacuum. You can't separate the impact on the environment from the impact on our families and communities.

~Jim Clyburn

Environmental policy must strike a balance between the earth's best interests and our citizen's pressing needs

~Jim Clyburn

I'm heartened by the growing awareness of global warming among important communities and organizations in our nation.

~Jim Clyburn

The bottom line is that five million low-income Americans working full time for minimum wage, deserve a raise.

~Jim Clyburn

Education is the great equalizer, and shouldn't be limited to the wealthiest few.

~Jim Clyburn

Democrats believe we must have comprehensive health care reform that includes giving the federal government authority to negotiate lower prices with drug companies.

~Jim Clyburn

Rep. James Clyburn, the state's only black congressman -- controls 20 percent to 25 percent of the primary vote.

~Jim Clyburn

An ability to compromise is important. That means stepping back and getting the ego out of the way in order to accomplish what you want to get done.

~Jim Clyburn

If at first you don't succeed, try, try again. I lost three times before I got elected. There's no limit. Stay in pursuit of your dreams.

~Jim Clyburn

Get yourself prepared, educationally and emotionally, and develop mental toughness. Don't ever give up.

~Jim Clyburn

I admire and respect Bill Clinton. I think he was a great president.

~Jim Clyburn

I have always abhorred the word racism. I never use it.

~Jim Clyburn

A lot of very competent people sometimes make errors.

~Jim Clyburn

You ought not be afraid of nuclear, but respectful of it. Yes, it has dangers, but it also has benefits. If not for nuclear, much of the medicine that's saving lives today would not be in existence.

~Jim Clyburn

I have no problems with private schools. I graduated from one and so

did my mother.

~Jim Clyburn

In particular, the emerging call from our nation's evangelicals to protect God's creation is substantial

~Jim Clyburn
