

Jim Costa Quotes

*Rights, Believe, Country, Important, Oil, People, Land, Views, Agriculture, Wind,
Government, Democracy, Commerce, Addiction, Technology, Growing Up,
Facts, Partners, Struggle, United States*

Additionally, Smart Irrigation Month serves to recognize advances in irrigation technology and practices that produce not only more but also higher quality plants with less water.

~Jim Costa

In addition, to punishing sexual offenders and protecting our children, we must also provide services, resources and counseling to the people who are victims of these horrible crimes.

~Jim Costa

When you're in a broken family and your role model is a violent male, boys grow up believing that's the way they're supposed to act. And girls think that's an accepted way men will treat them.

~Jim Costa

Rosa Parks will be remembered for her lasting contributions to society. Her legacy lives on in the continued struggle for civil rights around the world. She will be missed.

~Jim Costa

But we must take other steps, such as increasing conservation, developing an ethanol industry, and increasing CAFE standards if we are to make our country safer by cutting our reliance on foreign oil.

~Jim Costa

Water is a finite resource that is essential in the advancement of agriculture, and is vital to human life.

~Jim Costa

It does not matter what party you are a member of in this great Nation of ours. Accountability and competence are characteristics that Americans value throughout our great land.

~Jim Costa

For decades, Japan has been a friend and reliable trading partner with the United States, and I anticipate that relationship will prosper.

~Jim Costa

I fully support global commerce.

~Jim Costa

The civil rights movement would experience many important victories, but Rosa Parks will always be remembered as its catalyst.

~Jim Costa

Mrs. Parks was a shy, soft spoken woman who was uncomfortable being revered as a symbol of the civil rights movement. She only hoped to inspire young people to achieve great things.

~Jim Costa

Too often, Indian tribes are at the mercy of the shifting political winds of State government.

~Jim Costa

I fully appreciate the fact that George W. Bush won 49% of my district.

~Jim Costa
