## Quotes

*World, Powerful, Challenges, Animal, Father, Thinking, Littles, Nature, Wildlife,  
Attitude, Eye, Dirty, Dumb, Jokes, Television, Stupid, Country, Adventure,  
Conservation, Plant*

Somali is turning into a desert. Rwanda, you can hardly find a place to plant a potato, it's so crowded.

~Jim Fowler

The continued existence of wildlife and wilderness is important to the quality of life of humans.

~Jim Fowler

My father being an outdoors person, he used to take us on quite a few adventures through the wild areas down there, introducing us to alligators and rattlesnakes and all the trees and plants.

~Jim Fowler

The quicker we humans learn that saving open space and wildlife is critical to our welfare and quality of life, maybe we'll start thinking of doing something about it.

~Jim Fowler

The most powerful argument of all for saving open space is economics; in most states, tourism is the number two industry.

~Jim Fowler

How we treat the earth basically effects our social welfare and our national security.

~Jim Fowler

I don't think we're going to save anything if we go around talking about saving plants and animals only; we've got to translate that into what's in it for us.

~Jim Fowler

Preserving a river or a creek can bring a lot of revenue.

~Jim Fowler

I'm a little different from all those conservation types.

~Jim Fowler

According to Johnny Carson, I was the guy who Marlon sent out to do all the dirty work.

~Jim Fowler

I always said it was to be dumb enough to do what Marlon Perkins said to do.

~Jim Fowler

Sooner or later we've got to tie the saving of the natural world to our own public welfare.

~Jim Fowler

We used to play baseball back in that field and keep an eye out for the bulls.

~Jim Fowler

That's really the challenge of this century, to develop spokespeople.

~Jim Fowler

I have a lot of memories of Falls Church. I went to grade school in Madison Elementary School.

~Jim Fowler

Almost all these hotspots around the world, most have been destroyed to the point where there is no wildlife and very little of the natural world left.

~Jim Fowler

There's no country in the world that's more devastated from natural resources than Afghanistan.

~Jim Fowler

Johnny Carson started the jokes about me and Marlin in his monologues.

~Jim Fowler

Imagination is a powerful force underlying all knowing

~Jim Fowler

My father was a soil scientist with the Geological Survey.

~Jim Fowler

I had travelled pretty widely around the world even before then, so I knew where to go to film wildlife.

~Jim Fowler

The biggest challenge is how to affect public attitudes and make people care.

~Jim Fowler

There's no denying that television is one of the most powerful propaganda media we've ever invented.

~Jim Fowler

Most of what you see now emphasizes animals being dangerous to humans.

~Jim Fowler
