One of the most difficult things for any artist to do is create a world that looks both completely alien yet real and possible.

~Jim Lee

Lois pursues the truth no matter what sort of adversity faces her. I think Superman sees that, and it's the same moral compass that he has from the Kents.

~Jim Lee

Creating and producing creative work, to me those are all happy accidents.

~Jim Lee

I'm really trying to focus on the storytelling, more so than ever before I think, partly because it makes for easier pages.

~Jim Lee

I have a tendency to do the epic kind of long shot and put in everything that you need to know. And that's by design; that's the kind of approach I take to it.

~Jim Lee

Not everyone reads comics, although most people know the major superheroes, but the majority of people play video games.

~Jim Lee

I really want to try to explore the characters from angles you've never seen and keep them classic and iconic.

~Jim Lee

No true fan wants to go to Comic-Con and get assaulted with a marketing blitz about just any old show.

~Jim Lee

I rarely draw myself, in general, and if I do, I tend to do little cute manga-esque, almost bite-sized drawings of myself.

~Jim Lee

Alasdair Fraser's Culburnie Records has quietly become one of the best Celtic music labels today.

~Jim Lee

[Superman and Lois are] kindred spirits, and they always choose to do the right thing.

~Jim Lee

There was something special and unique about the love triangle that existed between Clark Kent, Superman and Lois Lane.
