Compassion, Careers, Caucus, Rising*

The Minnesota spirit of compassion and help for people in need has moved countless Minnesotans to step forward to provide relief for the survivors of Hurricane Katrina.

~Jim Ramstad

In my home State of Minnesota, I have seen firsthand the importance of Byrne grants to local police in reducing crime and drugs and improving public safety.

~Jim Ramstad

American families, families back home in Minnesota, know only too well that out-of-pocket expenses for health care have been rising at an astonishing rate.

~Jim Ramstad

I am pleased to launch the Friends of Thailand Caucus in the U.S. House of Representatives.

~Jim Ramstad

Embryonic stem cell research will prolong life, improve life and give hope for life to millions of people.

~Jim Ramstad

As American taxpayers know too well, the tax code is incredibly complex and compliance is all too expensive.

~Jim Ramstad

I cannot in good conscience vote for final passage of legislation that would pave the way to open the Arctic National Wildlife Refuge to oil drilling.

~Jim Ramstad

Our nation owes a debt of gratitude to the 9/11 Commission members for their valuable service and important recommendations to improve

homeland security.

~Jim Ramstad

As we celebrate Recovery Month, it is time for Congress to knock down the barriers to treatment and recovery for 26 million Americans suffering the ravages of alcohol and drug addiction.

~Jim Ramstad

America's veterans deserve the very best health care because they've earned it.

~Jim Ramstad

It is time to end the discrimination against people who need treatment for chemical addiction. It is time for Congress to deal with our Nation's number one public health problem.

~Jim Ramstad

As we celebrate President Reagan's remarkable career and historic legacy, we also celebrate a man of strong character, deep conviction, unforgettable charm, and wonderful wit.

~Jim Ramstad

Reducing trade barriers with this key ally will go a long way toward increasing market access for American farmers, manufacturers and service providers.

~Jim Ramstad

Americans spend 3 billion hours per year filling out tax forms and keeping tax records.

~Jim Ramstad

I strongly support the call to greatly expand our human intelligence capability to penetrate al Qaeda and gather critical intelligence to prevent terrorist attacks on our homeland.

~Jim Ramstad

We also need to strengthen the security of our borders and ports and strictly control immigration.

~Jim Ramstad

On this important anniversary, we must remember that while we have come a long way in eliminating barriers, critical work remains to ensure all Americans can live up to their full potential.

~Jim Ramstad

The heroes of Flight 93 won the first battle in the War on Terror, and they should never be forgotten.

~Jim Ramstad

My fellow Minnesotans join me in mourning the loss of America's 40th President and celebrating the life of a man who personified both the greatness and goodness of America.

~Jim Ramstad

First, the security and privacy of sensitive taxpayer information is absolutely essential.

~Jim Ramstad

Always the eternal optimist, President Reagan instilled confidence and optimism at a time both were in short supply in our country.

~Jim Ramstad

I strongly agree that a National Intelligence Director should be established to oversee and coordinate the 15 federal intelligence agencies.

~Jim Ramstad

will stifle economic growth, destroy jobs, reduce revenues, and

increase the deficit.
