

Jim Ryun

Quotes

*Country, Government, Strong, Abuse, America, War, Growing, Taken, Years,
People, Able, Rising, Operations, Practice, Loyalty, Threat, Kansas, Jewels,
Information, Agency*

Motivation is what gets you started. Habit is what keeps you going.

~Jim Ryun

Yesterday I, along with a bipartisan Congressional Delegation of lawmakers, inspected the detention facilities at Guantanamo used to house individuals detained in the War on Terrorism.

~Jim Ryun

With this announcement today, the Army has made it clear what we have known all along - that Fort Riley is truly the crown jewel of the United States Army.

~Jim Ryun

The United States is not a nation based upon race, creed, or religion - we are a nation based upon our loyalty and allegiance to our country and her principles.

~Jim Ryun

I am concerned about the growing problem of sexual abuse and exploitation of our children.

~Jim Ryun

I learned, one, you shouldn't ever quit. And I learned, two, you'll never be able to explain it to anybody

~Jim Ryun

We have a strong agricultural heritage in Kansas.

~Jim Ryun

Skyrocketing insurance premiums are debilitating our Nation's health care delivery system and liability insurers are either leaving the market or raising rates to excessive levels.

~Jim Ryun

By finding waste and abuse in entitlement programs, and eliminating it, we can ensure that the funds that are put into these programs go to the people that need them the most.

~Jim Ryun

Protection of private property is a fundamental right protected in a strong democracy.

~Jim Ryun

After the horrific attacks of September 11th, it was evident that our Government needed to be transformed to meet the new challenges of this dangerous world.

~Jim Ryun

Mr. Speaker, we have reached a point in history where some have forgotten that it is the family, not the government, that is the fundamental building block of our society.

~Jim Ryun

In a polling conducted by the Wall Street Journal, 11 out of 12 Americans said they oppose the taking of private property, even if it is for public economic good.

~Jim Ryun

I am committed to protecting our country against the threat of terrorism.

~Jim Ryun

In turn, more physicians, hospitals, and other health care providers are severely limiting their practices, moving to other states, or simply not providing care.

~Jim Ryun
