Children, Long, Half, Putin, Stars, Criminals, Would Be, Vote, Caps, Flare,  
Enforcement*

The Kyoto treaty has failed, and it's failed even in Europe, which has had cap and tax since 2005.

~Jim Sensenbrenner

Several professional athletes have wrongly taught many young Americans by example that the only way to succeed in sports is to take steroids.

~Jim Sensenbrenner

These days the temptation to use steroids in sports has become too great for many young athletes.

~Jim Sensenbrenner

Baseball has long been a national pastime that many Americans have cherished.

~Jim Sensenbrenner

In a sad twist of fate, the bill to reauthorize the Patriot Act was debated on the floor of the House of Representatives the same day that terrorists struck again.

~Jim Sensenbrenner

Sadly, this problem of steroid use is not isolated to baseball.

~Jim Sensenbrenner

Despite reforms in steroid control, serious problems still occur in and out of baseball.

~Jim Sensenbrenner

For too long, opponents of the PATRIOT Act have transformed this law into a grossly distorted caricature that bears no relation to the legislation itself.

~Jim Sensenbrenner

Congress first took action against steroids by passing The Anabolic Steroids Control Act of 1990.

~Jim Sensenbrenner

There are over 500,000 registered sex offenders across the country, and statistics have shown that the recidivism rate for those criminals is high.

~Jim Sensenbrenner

Despite the state of denial exhibited by most Democrats, Americans all across the nation acknowledge that changes are necessary to preserve Social Security for today's younger workers.

~Jim Sensenbrenner

Terrorists continue to exploit divisions between law enforcement and the intelligence communities that limit the sharing of vital counterterrorism information.

~Jim Sensenbrenner

After the last two years of springtime gas price spikes, nearly everyone in Southeast Wisconsin understands that something is wrong with our gasoline regulation and supply system.

~Jim Sensenbrenner

Since September 11th, federal terrorism investigations have resulted in charges against more than 400 suspects, and more than half of them have been convicted.

~Jim Sensenbrenner

Football, basketball, and the Olympic sports all have their problems with banned substances.

~Jim Sensenbrenner

You would think that Halloween tomorrow because of their attempt to

scare the American public.

~Jim Sensenbrenner

I personally believe that the solar flares are more responsible for climatic cycles than anything that human beings do

~Jim Sensenbrenner

I don't know one person who has changed their vote from Hillary Clinton to Donald Trump because Vladimir Putin wanted them to do that.

~Jim Sensenbrenner

Extending amnesty to those who came here illegally or overstayed their visas is dangerous waters...We are a nation of laws, and I will evaluate any proposal through that matrix.

~Jim Sensenbrenner

Foreign meddling elections is bad whether it's done by the Russians here or by us or anyplace else.

~Jim Sensenbrenner

The apocalypse is not around the corner.

~Jim Sensenbrenner

I have advocated an entirely different approach than cap and tax, which would be worldwide in application and which emphasizes technology as a way of reducing total emissions.
